The Assassins Code The Assassins Journey:

The Assassin's Code Scott Marlowe, 2025-02-04 The Assassin's Code is simple Never let a job become personal and never have regrets The Nameless Assassin has bent the Code's rules without breaking them for years But as bodies pile up and alliances crumble the lines between duty loyalty and revenge fade like shadows in the dusk With a vengeful blood witch on the loose in the Shambles and the Warders tightening their grip on power in pursuit of the elusive Heart of the Dragon the Assassin Without a Name must navigate a treacherous landscape where enemies become allies and every decision could lead to tragedy Immerse yourself in this gripping dark fantasy thriller where master assassins clash with blood witches merchant princes conspire with sorcerers and the lines between ally and adversary fade with every passing shadow In a city seething with dark magic and darker intentions following the Code means nothing Breaking it means everything Assassin's Code Don Pendleton, 2011-12-01 There's a brutal new player in the Middle East a mysterious group of radicalized assassins unleashing havoc When a U S envoy is slaughtered Mack Bolan picks up the hunt in the Afghan mountains the first leg of a mission to stem the flow of spilled blood across a shattered region and the world In a sophisticated undercover operation that spans the borderlands and urban battlefields of Iraq Pakistan and India Bolan and a handful of operatives attempt to do the impossible find and terminate the revitalized Islamic murder cult Reborn from an ancient sect the group merges ancient terror with modern technology As dealers of death for the hard line ruling Mullahs the Council of Assassins plots a new global caliphate with a calculated first strike aimed at the heart of the United States **Assassin's Code** Ward Larsen, 2017-08-22 David Slaton returns for another adrenaline packed adventure by USA Today bestselling author Ward Larsen **The Assassin** R.
