Promise Isaiah Beck,2024-12-05 Shrouded in perpetual mist the Isle of Aisling is a place where the sea whispers secrets and the sky weeps a constant drizzle Here the lighthouse stands sentinel against the bruised heavens a crucible of regret where the beam reaches out to those burdened by their past Elias Finch the weathered keeper understands this unsettling truth He's witnessed the light's strange power for decades it draws in souls laden with what ifs and if onlys giving tangible form to their emotional wreckage Sailors confront phantom ships they failed to save lovers replay bitter arguments and the island's jagged cliffs echo with unspoken words Elias has seen these spectral doubles offer a perilous bargain relive their defining missteps rewrite their pasts or be consumed by the very essence of their regret Journalist Mira Copeland arrives on Aisling seeking folklore a distraction from the gnawing guilt of burying a story that shattered a man's life Now his spectral form haunts her dreams The island sensing her burden whispers its secrets into her very bones She's not alone The remaining islanders are trapped in the lighthouse's macabre cycle reliving their deepest regrets nightly A fisherman replays his brother's drowning a mother endlessly chases her lost daughter their spectral torments a constant agonizing reminder of their failings Even Elias carries his spectral burden the phantom cries of the child he and his deceased wife never had As a dwindling tide of regretful souls weakens the light Aisling itself begins to crumble The erosion unleashes N'dur a malevolent entity feeding on broken promises its chilling whispers echoing across the desolate landscape N'dur twists the spectral manifestations into grotesque parodies intensifying the islanders torment The lighthouse sensing the combined weight of Mira and Elias's unresolved regrets turns its spectral gaze inward They are no longer observers they are participants The light demands a sacrifice the very core of their regret To reignite the light and banish N'dur they must not only confront their spectral selves but alter the very fabric of their pasts a terrifying gamble with unforeseen consequences Mira's spectral accuser leads her through a twisted recreation of her past offering her a chance to publish the buried truth but at a terrible

cost Elias guided by the spectral form of his wife must confront the life he chose the isolation he embraced and the phantom family he yearns for Their choices will determine not only their own fates but the fate of Aisling itself As Mira and Elias grapple with their spectral pasts the other islanders are consumed by N dur s growing power the island s descent accelerating the lighthouse tilting precariously on the eroding cliffs Will their sacrifices be enough to save Aisling or will the island be swallowed by the sea a spectral whisper in the mist a testament to the enduring power of regret *The Assassin's Keeper* John McClements,2015-11-23 The Assassin has been patient a one man sleeper cell waiting for the perfect time to exact his nation s revenge in spectacular and shocking style Pedro Garcia is a veteran of the Argentine Inteligencia and US covert operations a consummate professional he can smell a skeleton in a closet and is a master of using this ability to blackmail and manipulate Pedro s job is to ensure The Assassin is kept safe and is able to carry out his mission successfully Pedro moves to San Francisco where his first recruit is Drinda a sassy and duplicitous young woman recently acquitted of murdering her boyfriend With Drinda s help Pedro will lure London Chef John into their circle making sure John is primed for the pivotal role he will play in London one day Duped into a compromising position where he finds himself framed for murder John must flee San Francisco Back in London he rebuilds his life getting married and preparing to start a family until one day Pedro arrives Pedro holds the key evidence which will ensure John returns to the US to face two murder charges unless he plays ball John will find himself embroiled in the biggest scandal to hit the United Kingdom establishment since Guy Fawkes will he risk everything he has worked for and blow the whistle Read this exciting and action packed novel to find out *The Gamekeeper at Home* Richard Jefferies,1880
