Smith, Jon-Philip Imbrenda, 2017-12-22 The ability to make effective arguments is not only necessary in students academic lives it s a

transferable skill that's essential to students future success as critical thinkers and contributing members of society. But in the here and now how do we engage students and ensure they understand argument writing's fundamental components. How do we take them from Here's what I think to Here's what I think Here's what makes me think that And here's why it matters. This stunning full color book by Michael Smith and Jon Philip Imbrenda shows the way with ready to implement lessons that make argument writing topical and relevant. Students are first asked to form arguments about subjects that matter to them and then to reflect on the structure of those arguments a process that provides learners with valuable reusable structural models. Throughout the book the authors provide helpful instructional tools including Literary nonfiction and author created simulated texts that inspire different points of view. Essential questions to create a context that rewards argumentation. Lessons introducing students to the three essential elements of an argument claim data and warrant and how to make each effective. Questioning probes semantic differential scales and other innovative instructional approaches. Samples of writing from the authors own students and enlightening details on how this work informed the authors subsequent teaching approach. Complete with guidance on applying the lessons techniques in a broader unit wide context. Developing Writers of Argument offers a practical approach for instructing students in this crucial aspect of their lifelong development.

Are No Shortcuts Rafe Esquith, 2008-11-19 Year after year Rafe Esquith's fifth grade students excel. They read passionately far above their grade level tackle algebra and stage Shakespeare so professionally that they often wow the great Shakespearian actor himself Sir Ian McKellen. Yet Esquith teaches at an L A innercity school known as the Jungle where few of his students speak English at home and many are from poor or troubled families. What's his winning recipe? A diet of intensive learning mixed with a lot of kindness and fun. His kids attend class from 6 30 A M until well after 4 00 P M right through most of their vacations. They take field trips to Europe and Yosemite. They play rock and roll. Mediocrity has no place in their classroom. And the results follow them for life as they go on to colleges such as Harvard Princeton and Stanford. Possessed by a fierce idealism Esquith works even harder than his students. As an outspoken maverick of public education his heroes include Huck Finn and Atticus Finch he admits to significant mistakes and heated fights with administrators and colleagues. We all teachers parents citizens have much to learn from his candor and uncompromising vision.
