The Avenging Of The Apostles And Prophets Commentary On Revelation:

The Avenging of the Apostles and Prophets Arthur M. Ogden, 2016-12-01 The Apocalypse is examined as an intricate part of the Bible and interpreted in light of the teaching of all the books of the Bible Speculative theories are avoided and unnecessary Christians around the world have found it to be a commentary they could easily read and understand It has opened the eyes of many to the meaning of the Apocalypse *The Avenging of the Apostles and Prophets* Arthur M. Ogden, 1985 [Avenging His Holy Saints, Apostles and Prophets](#) D. Gene West, 2005 This clear and logical volume on the challenging book of Revelation will be a wonderful asset to Bible students everywhere *The End Times Controversy* Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **Full Preterism--Ignored but Fulfilled** William John Rankine Taylor, 2025-05-22 What if the end of the world isn't in our future but in our past In this provocative exploration of eschatology Full Preterism Ignored but Fulfilled challenges conventional interpretations of prophecy and invites readers to consider a groundbreaking perspective that the events foretold in Scripture including the second coming of Christ have already been fulfilled Divided into three compelling sections the book journeys through the historical and theological roots of full preterism provides fresh interpretations of key prophecies and explores the profound implications for living in a post apocalyptic age More than a theological argument this book is a call to reimagine faith in the light of fulfilled prophecy How does life change when people stop waiting for an apocalypse and embrace the here and now as the age of God's completed promises Whether the reader is a curious seeker a devoted believer or a skeptic of traditional eschatology Full Preterism Ignored but Fulfilled offers a fresh lens through which to view the Bible history and the ultimate trajectory of humanity Prepare to see the past and the present like never before *All Power to the Lamb* James R. Johnson, 2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7:7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist

perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age A Commentary on the Revelation of St. John John Barnes Johnson,1904 **Last Days Madness:**

Obsession of the Modern Church Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness
