the Bible understand it with *The Essential Bible Dictionary* **Baker's Illustrated Bible Dictionary** Matthew George Easton, 1978 **Confronting Old Testament Controversies** Tremper III Longman, 2019-04-02 For many people skeptics and believers alike the Old Testament is rife with controversial passages and events that make both belief and sharing our beliefs with others difficult Often our solutions have tended toward the extremes ignore problem passages and pretend they don't matter or obsess over them and treat them as though they are the only thing that matters Now with clarity of purpose and fidelity to the message and spirit of Scripture as a whole Tremper Longman confronts pressing questions of concern to modern audiences particularly young people in the church the creation evolution debate God ordained violence the historicity of people places and events human sexuality Pastors leaders in the church and thoughtful and troubled Christians in the pews will find here a well reasoned and faithful approach to dealing with the Old Testament passages so many find challenging or disconcerting *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J.

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Baker Bible Dictionary for Kids** Baker Book House, Daryl J. Lucas, 2002-03 A Bible dictionary with definitions appropriate for children 8 to 12 More than 2 250 entries and illustrations on every page

Christian hermeneutics in South Africa Hendrik Goede, Nico Vorster, 2024-02-26 Hermeneutics remains a divisive and polarizing topic within scholarly and ecclesiastical communities in South Africa These tensions are not limited to theoretical differences but often crystallize on a grassroots level when local churches and church assemblies have to make important decisions on controversial ethical topics such as ordaining women in church offices assessing the ethics of gay marriages and taking a stance on the land debate in South Africa This book makes a unique contribution in two ways firstly it focuses on the uniquely South African hermeneutical landscape secondly it relates theories to practical ethical application The unique scholarly contribution of this consists in it relating hermeneutics to ethics within the South African landscape A diverse group

of scholars have been invited to partake in the project and the views expressed are often quite diverse This allows readers to develop an understanding and sensitivity of the various angles employed and the interests at stake in addressing difficult societal problems
