**The Bees** Laline Paull, 2014-05-06 The Handmaid's Tale meets The Hunger Games in this brilliantly imagined debut set in an ancient culture where only the queen may breed and deformity means death. Flora 717 is a sanitation worker, a member of the lowest caste in her orchard hive where work and sacrifice are the highest virtues and worship of the beloved Queen the only religion. But Flora is not like other bees. With circumstances threatening the hive's survival, her curiosity is regarded as a dangerous flaw, but her courage and strength are an asset. She is allowed to feed the newborns in the royal nursery and then to become a forager flying alone and free to collect pollen. She also finds her way into the Queen's inner sanctum where she discovers mysteries about the hive that are both profound and ominous. But when Flora breaks the most sacred law of all, daring to challenge the Queen's fertility enemies, abound from the fearsome fertility police who enforce the strict social hierarchy to the high priestesses jealously wedded to power. Her deepest instincts to serve and sacrifice are now overshadowed by an even deeper desire: a fierce maternal love that will bring her into conflict with her conscience, her heart, her society, and lead her to unthinkable deeds. Thrilling, suspenseful, and spectacularly imaginative, **The Bees** gives us a dazzling young heroine and will change forever the way you look at the world outside your window. **The Bees** Laline Paull, 2014-05-06 Shortlisted for the Baileys Women's Prize for Fiction 2015 Longlisted for the Desmond Elliott Prize for New Fiction 2015 Enter a whole new world in this thrilling debut novel set entirely within a beehive. [The Bees by Laline Paull](#) Veronica Sullivan, 2017 **Pod** Laline Paull, 2023-02-07 An astonishing and immersive new novel. Pod takes the reader into the depths of the ocean and into the world of its fascinating inhabitants through the eyes of the beautiful Ea, a spinner dolphin. Laline Paull returns with an immersive and transformative new novel of an ocean world, its extraordinary creatures, mysteries, and mythologies that is increasingly haunted by the cruelty and ignorance of the human race. Ea has always felt like an outsider. As a spinner dolphin who has recently come of age, she's now expected to join in the elaborate rituals that unite her pod. But Ea suffers from a type of deafness that prevents her from mastering the art of spinning. When catastrophe befalls her family and Ea knows she is partly to blame, she decides to make the ultimate sacrifice and leave the pod. As Ea ventures into the vast, she discovers dangers everywhere, from lurking predators to strange objects floating in the water. Not to mention the ocean itself seems to be changing: creatures are mutating, demonic noises pierce the depths, whole species of fish disappear into the sky above. Just as she is coming to terms with her solitude, a chance encounter with a group of arrogant bottlenoses will irrevocably alter the course of her life. In her terrifying propulsive novel, Laline Paull explores the true meaning of family, belonging, sacrifice, the harmony and tragedy of the pod within an ocean that is no longer the sanctuary it once was and which reflects a world all too recognizable to our own. **Bees**, 1911

Thank you entirely much for downloading **The Bees Laline Paull Epub**. Most likely you have knowledge that, people have look numerous times for their favorite books next this The Bees Laline Paull Epub, but end in the works in harmful downloads.
