The Westminster Handbook to Evangelical Theology Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms

Saved and Sure, Safe and Secure John David Martin, 2020-11-09 Have you ever found yourself involved in a conversation about the idea of once saved always saved one that turned into a religious argument Saved and Sure Safe and Secure seeks to demonstrate from the Scriptures that a born again Christian once saved can have assurance that he or she is saved and safe for eternity Writing in simple terms and plain language in order to communicate Bible doctrine to the average person author John David Martin affirms the doctrine of eternal security of believers in Christ and addresses common objections to the teaching of once saved always saved Whether you believe in eternal security or think you can lose it Pastor Martin hopes to help you strengthen your faith and challenge your thinking on the subject Many religious people who believe in God and profess to know Christ as their personal Savior still struggle with doubts concerning their salvation If you are worried you can put your fears to rest this study can help Aiming to encourage and uplift believers this theological study explores the topic of eternal security analyzing the biblical truths that teach and reinforce the certainty of this concept

The SCM Press A-Z of Evangelical Theology Roger E. Olson, 2005 The SCM Press A Z of Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organisations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology Here is a unique compact narrative description of the origins rise and significance of evangelical theology today About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary Baylor University USA *The Gospel of the Christ* Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the

controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith **Across the Spectrum** Gregory A. Boyd,Paul Rhodes Eddy,2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University Across the Spectrum succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen *Bibliotheca Sacra* I ve been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses

Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It s settled I m requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University

Mickey Mantle Is Going to Heaven Fritz Peterson,2009 In his rookie year pitcher Peterson had the opportunity to play with Mickey Mantle and Roger Maris and he made a name for himself both on the field and off Through his very public years as a baseball player and in his later struggle with prostate cancer he continued to seek salvation and ultimately came to understand the truth of God s Grace *The Believer's Conditional Security* Daniel D. Corner,1997-08-01 *Bibliotheca Sacra and Theological Review* ,1951 *Contact* ,2000 *Eternal Security* Charles Halff,1998 *Words on Cassette* ,2000 *Eternal Security Refuted by the Book of Hebrews* Charles Vander Ploeg,1960

Collected Writings of John Murray John Murray,1982 Although John Murray was teaching theology at Princeton in 1929

such was his slowness to go into print that it was not until the 1950s that his first books appeared. The reason lay in his high view of the responsibilities of Christian authorship and even when his works were being acclaimed as exegesis of the highest rank he declined the advice of those who urged him to publish his work in systematic theology. Volume 2 of his *Collected Writings* provides virtually John Murray's own selection from his articles and lectures in systematic theology. In it will be found definitive treatments of subjects upon which in the judgment of many he advanced and gave fresh elucidation of biblical truth.

Security Kirk R. MacGregor, Kevaughn Mattis, 2009-05-07

Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition. For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology. From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security. However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin's perseverance of the saints. In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security. These essays comprise the first print anthology from the online theological journal *Testamentum Imperium* an international forum founded and edited by Kevaughn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security. This book therefore analyzes Calvin's model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology. Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages. Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security.
