

TIFFANY COLORED GEMS

JOHN LORING

Tiffany Colored Gems

Georges Bataille

Tiffany Colored Gems:

Tiffany Colored Gems John Loring, 2007-10 Lavishly illustrated with archival and contemporary photographs this collection traces the dazzling history of Tiffany Company's use of colored stones in its jewelry designs from the mid 19th century to the present day

Modern Jeweler's Consumer Guide to Colored Gemstones David Federman, 2012-12-06 Since early 1989 a gem dealer I've known for years has been calling me every few weeks to brief me on mounting mayhem in Colombia's lucrative emerald market. The troubling gist of these calls is always this: There is a full-fledged turf war going on between that South American country's bustling drug and gem trades for control of its emerald export business. According to this dealer and several others anywhere from two to four thousand emerald industry people, mostly miners and dealers, have been murdered since 1980. No doubt the gem sector itself, never gun-shy, has retaliated in full and in kind. After all, the two groups have banded together in an intermittent alliance against a common enemy: Communist guerrillas. With results the CIA would envy. I mention this bloodshed because of something the gem dealer once said to me: I bet you never think of what a gem has to go through to get to a jewelry store. He's right. I tend to think of colored stones as things of beauty, not objects of gruesome power struggles between mining kingpins and drug lords. Can you blame me, or anyone with insider knowledge, if a gem sheds any connection with its past, once sculpted by a cutter into the glittering marvel we see in a jeweler's showcase? Like Odysseus listening to the sirens' song, we become victims of an aesthetics-induced amnesia.

Dictionary of Gems and Gemology Mohsen Manutchehr-Danai, 2013-03-09 Since World War II the amount of information generated in the science of Gemology has increased tremendously. Therefore this book, *Dictionary of Gems and Gemology*, was written with the aim of providing a relatively complete dictionary to assist all students, hobbyists, scientists, and interested parties in the fields of Gems and Gemology. The forerunner to this book was called *Dictionary of Gems and Gemology* (English/Persian/Persian/English), published in Tehran, Iran, in 1997. It was written with the aid of more than thirty reference books relating to gemology. In response to the effort required to clarify the terms within, I decided to compile a book that brings all the relevant terms into one book. This new book eliminates the use of different reference books and compiles nearly all the relevant terms into a one-stop, useful text. It took twenty-five years to collect the terms and the information so as to present a complete and functional lexicon. The text is supported by nearly 170 illustrations and 21 tables to provide detailed and succinct information. I hope and trust that this book will reach the high standard of other gemological dictionaries. If you have criticisms or suggestions, please feel free to contact me.

Professor Dr. Mohsen Manutchehr-Danai, Los Angeles, Tehran, Regensburg.

Acknowledgments The author acknowledges all those who were of valuable assistance during the writing and publishing of this book.

Gems and Gemstones Lance Grande, Allison Augustyn, 2009-11-15 *Gems and Gemstones* features nearly 300 color images of cut gems, precious and semiprecious stones, gem-quality mineral specimens, and fine jewelry to be unveiled in the new Grainger Hall of Gems at the Field Museum in Chicago.

Tiffany Style John Loring, 2008-09 Renowned

photographer Harry Benson was commissioned especially for this book his images of Ballet Florida dancers modeling signature pieces of Tiffany jewelry complement the rich selection of design sketches as well as vintage and contemporary photography much of it from Tiffany's unparalleled archives Tiffany Style reveals the fascinating history and evolution of design at Tiffany Co through its most remarkable creations BOOK JACKET **The Jewelers' Circular and Horological Review** ,1893 **Gems and Gem Minerals** Oliver Cummings Farrington,1903 *Critic and Good Literature* Jeannette Leonard Gilder,Joseph Benson Gilder,1881 *Gilded New York* Phyllis Magidson,Susan Johnson,Thomas Mellins,2013-11-05 The Gilded Years of the late nineteenth century were a vital and glamorous era in New York City as families of great fortune sought to demonstrate their new position by building vast Fifth Avenue mansions filled with precious objects and important painting collections and hosting elaborate fetes and balls This is the moment of Mrs Astor's Four Hundred the rise of the Vanderbilts and Morgans Maison Worth Tiffany Co Duveen and Allard Concurrently these families became New York's first cultural philanthropists supporting the fledgling Metropolitan Museum of Art and the Metropolitan Opera among many institutions founded during this period A collaboration with the Museum of the City of New York Gilded New York examines the social and cultural history of these years focusing on interior design and decorative arts fashion and jewelry and the publications that were the progenitors of today's shelter magazines Literature and Evil Georges Bataille,1973 Cincinnati Magazine ,2007-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Critic* ,1881 **Bejewelled by Tiffany, 1837-1987** Tiffany & Co.
