**What's Best Next Study Guide** Matt Perman,2019-12-10 By anchoring your understanding of productivity in God's plan the What's Best Next Study Guide gives your study group or class a practical approach for increasing effectiveness in work and life. There are a lot of myths about productivity what it means to get things done and how to accomplish work that really matters. In our current era of innovation and information overload it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity. Matt Perman has spent his career helping people learn how to do work in a gospel centered and effective way. What's Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work even in our everyday grind. The What's Best Next Study Guide a companion to What's Best Next and the What's Best Next Video Study offers a practical approach for improving productivity in all areas of life. It will help you better understand How to create a mission statement for your life that's actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This twenty four session study guide includes Reflection questions for group and personal study. Video teaching notes. Frequent Bible references and quotes from Christian thinkers. Ample space for notetaking. Closing prayers at the end of each session. Productivity isn't just about getting more things done. It's about getting the right things done the things that count make a difference and move the world forward. You can learn how to do work that matters and how to do it well.

**Social Justice Goes To Church: The New Left in Modern American Evangelicalism** Jon Harris,2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today. Yet it is going unnoticed in far too many circles. Social Justice Goes to Church can serve as a wake up call. Samuel C. Smith Ph.D. Chair and Graduate Program Director Department of History Liberty University. In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history. In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them. At first figures like Jim Wallis, Ron Sider and Richard Mouw made great gains for their progressive evangelical cause. But after the defeat of Jimmy Carter the religious right stole the headlines. Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not. As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down. Their mission may be more successful but it is not new. To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement. Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the

vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas **Working Blessedly Forever, Volume 2** R. Paul Stevens,Lucas Lee,2025-02-27 In volume 1 of Working Blessedly Forever Paul Stevens argues that doing marketplace theology requires head thought heart prayer and hand action Volume 2 takes up the doing part through the experience of multiple practitioners thus providing a practical marketplace theology So under the headings of Doing Theology from Above and Below Dimensions of Marketplace Practice Issues in the Marketplace and Marketplace Practice and the Church these sixteen authors ranging from a machinist to a lawyer elaborate on what they have learned about the integration of faith and work from their actual work life Edited by R Paul Stevens who writes the introduction a short introduction to each session three of the short chapters and the epilogue this book does not cover everything but gives a window into the actual life of a marketplace Christian in their work for God and neighbor Along with volume 1 this puts flesh on the invigorating and empowering truth of biblical marketplace theology **Serving a Movement** Timothy Keller,2016-03-15 In Serving a Movement best selling author and pastor Timothy Keller looks at the nature of the church s mission and its relationship to the work of individual Christians in the world He examines what it means to be a missional church today and how churches can practically equip people for missional living Churches need to intentionally cultivate an integrative ministry that connects people to God to one another to the needs of the city and to the culture around us Finally he highlights the need for intentional movements of churches planting new churches that faithfully proclaim God s truth and serve their communities This new edition contains the third section of Center Church in an easy to read format with new reflections and additional essays from Timothy Keller and several other contributors **An Impossible Marriage** Laurie Krieg,Matt Krieg,2020-10-27 Laurie and Matt Krieg are in a mixed orientation marriage Laurie is primarily attracted to women and so is Matt With vulnerability and wisdom they tell the story of how they met and got married the challenges and breakthroughs of their journey and what they ve learned about how marriage is meant to point us to the love and grace of Jesus **Christian Higher Education** David S.
