**Beyond Measure** Vicki Abeles,2015-10-06 Now in paperback the New York Times bestseller from Race to Nowhere director Vicki Abeles about how our schools can revolutionize learning prioritize children s health and re envision success for a lifetime Race to Nowhere Vicki Abeles s groundbreaking documentary about our educational system tapped into a widespread problem in our nation s schools From high school to kindergarten an entire

generation of American students is being pressured to perform in ways that make them less intellectually flexible creative and responsive to a changing world Vicki brought home how as students race against each other to have constantly higher grades better test scores and more AP courses than their classmates they are damaging their own mental and physical health Now in the New York Times bestseller *Beyond Measure* Vicki continues this all important conversation seeking out success stories to inspire and instruct those who are eager to create change We see examples of teachers who have cut the workload in half and seen scores rise parents who have taken the pressure off of their kids only to find their motivation and abilities rise on their own schools that have instituted later start times so that the kids are getting the sleep they need able to learn more efficiently Everyone is aware that the educational system is broken and *Beyond Measure* reveals a personal unique on the ground perspective From limiting the number of AP courses a college will consider to eliminating the competitive need to do more than the next kid and shifting emphasis in the admissions process to essay options over test scores With both heart and smarts Vicki Abeles showcases the courageous communities that are rejecting the childhood rat race and reclaiming health and learning Maria Shriver The result will help students succeed not just on the race to college but for life Off to College Roger H. Martin, 2015-08-04 What should parents expect during their child's first year of college Roger Martin double president emeritus of two colleges spent a year visiting five diverse colleges public and private large and small elite and non elite in order to offer the parents of college bound seniors a comprehensive overview of the first year college experience In addition to a stint with dorm life and time with students and professors Martin draws from conversations with a wide variety of campus administrators and staff members in financial aid campus police sports health care and disabilities accommodations We join Martin for example as he and a campus safety officer walk around campus on a busy Saturday night While *Off to College* deals with more traditional topics such as the financial challenges of college homesickness and time management it also tackles more complex contemporary issues that college freshman may encounter There are sections devoted to date rape drinking campus shootings and depression as well as chapters targeted at athletes minorities and first generation students We can boast in this book not only a most appropriate and uniquely positioned author but also one full of information and good advice from campus sources *Off to College* promises to be an encouraging and extremely well informed guide for any parent sending their child off to a four year residential college **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich, 1999 *The World Almanac for Kids 2014* Sarah Janssen, 2013-08-20 A colorful and exciting reference tool that covers it all from sports and animals to movies and tv *The World Almanac for Kids* is the best selling reference book for kids with more than 44 million copies sold Filled with thousands of fun fascinating facts and essential homework help on a wide range of subjects this engaging full color almanac has been completely updated with hundreds of new photographs dozens of completely new features and a wealth of puzzles games activities maps websites and much more An ideal homework aid and a joy to read for kids and adults alike *The World Almanac for Kids 2014* provides
