Time's Mirror R. W., 2016-01-15 The second CHRONOS Files novella follows Prudence's story from her fateful first journey with the CHRONOS key to the point where her story intersects with Kiernan Dunne in the first novella Time's Echo It also helps sets the stage for Time's Divide the third and final book in The CHRONOS Files coming from Skyscape in October It's 1984 and the only things on Prudence Pierce's mind are seducing her violin instructor and with the help of her sister Deborah avoiding the wrath of their mother for stepping out of the house dressed like Madonna Her mother might also be a teensy bit angry about the medallion Pru swiped from the attic a medallion that glows lime green and has an oddly hypnotic holographic effect when Pru holds it in her hand A simple blink is all it takes to yank Pru from the car with her dad into a world of hurt She awakens in 2305 to find herself pinned under what's left of CHRONOS headquarters thanks to a recent terrorist attack Their prime suspect Her mother Katherine Shaw And everyone wants to know how Pru got her hands on a CHRONOS key Pru is convinced that the key is the answer to all her problems She'll use it to stop her mother fix her relationship with Deb and even restore CHRONOS so that her new friend Tate can return to the job he loves She can't do it alone however Fortunately she finds Saul Rand and he's more than willing to help

The Vanishing Hours Lauren Castillo, 2024-12-17 Dr Lila Hensley a renowned sleep specialist lives a life of meticulous routine a carefully constructed fortress against the anxieties that haunt her waking hours The unresolved trauma of her twin sister April's disappearance years ago casts a long shadow driving Lila to chart the landscapes of other people's dreams seeking the control that eludes her in her own life When Francisco Jones a tormented insomniac plagued by missing days walks into her Portland clinic clutching an antique stopwatch identical to April's Lila's carefully ordered world begins to unravel The stopwatch once a childhood trinket now whispers of hidden dimensions of time and a chilling echo of the past Drawn by morbid curiosity and a flicker of desperate hope Lila agrees to take on Francisco's case unaware that she's stepping into a labyrinth of fragmented memories distorted realities and a conspiracy far more sinister than she could have imagined As Lila delves deeper into Francisco's amnesia she notices unsettling parallels to her own life Moments slip away then hours then days Her once precise diary becomes a disjointed chronicle of forgotten appointments and unsettling dreams of her sister Her colleague Dr Kelsey Vasquez haunted by her own past failures attributes Lila's erratic behavior to suppressed grief but Lila's gut tells her something far more disturbing is at play The discovery of April's old journals filled with cryptic symbols and disturbing drawings of distorted clock faces and shadowy figures unveils a hidden obsession with chronomancy the manipulation of time A shocking twist reveals that Francisco is not merely a patient but a pawn in a game orchestrated by a clandestine organization known as the Chronos Initiative obsessed with unlocking the secrets of time travel Lila realizes they are not losing time they are being robbed of it In a race against a fast approaching celestial alignment Lila must confront not only the architects of this conspiracy but also her own haunting past Alongside Kelsey now a crucial ally Lila deciphers the cryptic clues in April's journals leading them to a hidden room beneath an abandoned observatory a place where time itself can be manipulated Lila is faced with a devastating choice reclaim the stolen time risking the fabric of reality or sacrifice her own chance at healing to protect the world As the observatory crumbles around her Lila makes a heart wrenching decision one that will forever alter her understanding of time
