Sophocles

Sophocles Antigone A New Translation:

Sophocles' Antigone, 2011-04-18 Sophocles Antigone comes alive in this new translation that will be useful for academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today **Antigone** Sophocles, 2012-08-07 The most celebrated plays of ancient Athens Sophocles's seven surviving works in vivid and dynamic new translations ANTIGONE translated by award winning poet Robert Bagg is one of seven plays Harper Perennial has published as beautifully designed stand alone editions Powerfully portraying the clash between civic and familial duty between morality and obedience Antigone brings the Oedipus Cycle to a conclusion with the story of the tragic hero's eldest daughter Antigone who courts her own death by defying the edict of Thebes's new ruler her uncle Kreon which forbids giving her dishonored brother a proper burial This is Sophocles vibrant and alive for a new generation **Antigone** Sophocles, 2023-03-15 Murnaghan has rendered Sophocles notoriously thorny verse into a text that pulsates with intimacy and immediacy without sacrificing power and nuance creating a translation that will remain fresh for a very long time The accompanying material is so thoughtfully curated that the volume as a whole serves as a full introductory course to this extraordinary play and its outsized cultural impact Ella Haselswerdt University of California Los Angeles Sophocles' Antigone Sophocles, 2011 Sophocles Antigone comes alive in this new translation that will be useful for academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today Antigone Sophocles, 1994 **Antigone** Sophocles, 2012-12-21 This is an English translation of Sophocles tragedy of Antigone and her fate when she decides to bury her dead brother Polyneices Focus Classical Library provides close translations with notes and essays to

provide access to understanding Greek culture

Found in Translation J. Michael Walton, 2006-07-06 In considering the practice and theory of translating Classical Greek plays into English from a theatrical perspective *Found in Translation* first published in 2006 also addresses the wider issues of transferring any piece of theatre from a source into a target language The history of translating classical tragedy and comedy here fully investigated demonstrates how through the ages translators have wittingly or unwittingly appropriated Greek plays and made them reflect socio political concerns of their own era Chapters are devoted to topics including verse and prose mask and non verbal language stage directions and subtext and translating the comic Among the plays discussed as case studies are Aeschylus Agamemnon Sophocles Oedipus Tyrannus and Euripides Medea and Alcestis The book concludes with a consideration of the boundaries between translation and adaptation followed by an appendix of every translation of Greek tragedy and comedy into English from the 1550s to the present day

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Sophocles' Antigone Sophocles, Oliver A. Evans, 2013-04-14 This new translation of Sophocles Antigone one of the cornerstones of Ancient Greek Tragedy is meant to satisfy several parameters i above all to provide a text that can be immediately and easily understood and appreciated by a 21st century English speaking audience or reader ii in so doing to remain as faithful to the text and the spirit of the text as is possible and iii neither to promote nor exclude flexibility in staging choreography and interpretation The translator realizes that this is a task that is by its very nature impossible to

perfect and that usually the quality of any attempt is very much in the eye of the beholder. However, he strongly believes that there is an identifiable gap in affordable translations of Ancient Greek Theater between those efforts that are virtually incomprehensible as a result of their antiquated vocabulary, awkward syntax, opaque idiom, and/or overwrought poetry and those that take such liberty with the underlying text as to bear little relationship to the spirit of the original. Oliver Evans hopes to fill that gap and that this translation will be enjoyed by audiences and readers alike. It is intended to be the first in a series of fresh translations of all the extant plays of Sophocles, perhaps to be followed by translations of Euripides and Aeschylus. Oliver Evans was educated at St Paul's School, London, and Oxford University, where he graduated with a Double First and several awards in Classics. The play itself is, of course, the famous tragedy written by Sophocles 497-406 BC, in or before 441 BC. For more information on *Antigone*, the translator suggests starting with the entry in Wikipedia and following the references there. There is no introduction or interpretation in this edition. *Antigone* Sophocles, 1998-10-01. One of the greatest, most moving of all tragedies, *Antigone* continues to have meaning for us because of its depiction of the struggle between individual conscience and state policy and its delicate probing of the nature of human suffering. Mr. Rudall's splendid translation brings a new power and speakability to Sophocles' prose. **Sophocles' *Antigone*** Sophocles, 1998. English translation of Sophocles' tragic story of *Antigone*, addresses civil disobedience and a moral imperative which supercedes human-created laws. The Focus Classical Library provides close translations with notes and essays to provide access to understanding Greek culture. *The Antigone of Sophocles* University of California, Los Angeles. Department of Theater Arts, D. D. F. Kitto, 1961. *Antigone* Sophocles, 1990-02-01. Based on the conviction that only translators who write poetry themselves can properly recreate the celebrated and timeless tragedies of Aeschylus, Sophocles, and Euripides, the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals. The series seeks to recover the entire extant corpus of Greek tragedy quite as though the ancient tragedians wrote in the English of our own time. Under the editorship of Peter Burian and Alan Shapiro, each of these volumes includes a critical introduction, commentary on the text, full stage directions, and a glossary of the mythical and geographical references in the plays. This finely tuned translation of Sophocles' *Antigone* by Richard Emil Braun, both a distinguished poet and a professional scholar-critic, offers in lean, sinewy verse and lyrics of unusual intensity an interpretation informed by exemplary scholarship and critical insight. Braun presents an *Antigone* not marred by excessive sentimentality or pietistic attitudes. His translation underscores the extraordinary structural symmetry and beauty of Sophocles' design by focusing on the balanced and harmonious view of tragically opposed wills that makes the play so moving. Unlike the traditionally gentle and pious protagonist opposed to a brutal and villainous Creon, Braun's *Antigone* emerges as a true Sophoclean heroine with all the harshness and even hubris as well as pathos and beauty that Sophoclean heroism requires. Braun also reveals a Creon as stubbornly principled as *Antigone*, instead of simply the arrogant tyrant of conventional interpretations. *Sophocles:*

Antigone Sophocles, Scott Hubbard, 2011-10-20 A new verse translation of Sophocles immortal play *Antigone* Includes detailed analysis of the play and interpretive notes

Republic of Noise Diana Senechal, 2012 In this book Diana Senechal confronts a culture that has come to depend on instant updates and communication at the expense of solitude Schools today emphasize rapid group work and fragmented activity not the thoughtful study of complex subjects The Internet offers contact with others throughout the day and night we lose the ability to be apart even in our minds Yet solitude plays an essential role in literature education democracy relationships and matters of conscience Throughout its analyses and argument the book calls not for drastic changes but for a subtle shift an attitude that honors solitude without descending into dogma Provided by publisher

Sophocles' Antigone Brendan Kennelly, 1996 After the death of Oedipus his sons turn on each other When both are killed the inflexible Creon becomes King of Thebes While the loyal Eteocles is buried with due honour Creon orders that the body of his rebellious brother Polyneices should be left to rot But his sister Antigone refuses to let this happen Sophocles great play dramatises the resulting conflict a battle of wills which leads to inevitable tragedy *Antigone* was a set text on the new Leaving Certificate syllabus in Ireland This edition includes short essays by Brendan Kennelly Terence Brown and Kathleen McCracken This edition is now out of print but it is included in full in *When Then Is Now Three Greek Tragedies*

General Catalogue of Printed Books British Museum. Department of Printed Books, 1969

Antigone Adapted Robert Cardullo, 2011 This anthology focuses on a literary figure Sophocles *Antigone* who seems to have taken on a life independent of the play in which she was first featured *Antigone* 441 B C She has since appeared in numerous other plays operas and films even in comic books and songs especially in the twentieth century in the drama alone we see her in works from Brecht and Hasenclever to Cocteau and Anouilh to Fugard and Heaney Indeed few narratives have been adapted for the stage as often as the legend of *Antigone* each generation reinvents the myth to fit its own circumstances In each reappearance she bears the marks of the time that reproduced her and these manifestations of her character mutually modify each other That is while the character brings a known body of information to the new artistic situation its place in that new context may well alter our understanding of the earlier appearances of *Antigone* as well All the variations on the *Antigone* theme attest each in its own way to the immense vitality that has continued to inhabit this complex dramatic character over the centuries At the center of Sophocles original play is a struggle to reconcile personal beliefs with the needs or dictates of society At no time is such a struggle more relevant than in periods of war so it is not surprising that new adaptations of *Antigone* cluster around periods of armed conflict whether between nations or within a single nation itself for example Argentina in the seven year grip of its Dirty War on its own people in Griselda Gambaro's *Antigonia Furiosa* 1986 and the Republic of Congo as it is torn by AIDS political corruption internecine hostility and military oppression in Sylvain Bemba's *Black Wedding Candles for Blessed Antigone* 1988 In *Antigone Adapted* the nations or territories in question are ones not typically featured in Western anthologies of drama Puerto Rico in the troubled possession of the United States in Luis Rafael Sánchez's *The Passion of Ant*

gonia Perez 1968 and Slovenia under the iron yoke of both Tito and the Soviet Union in Dominik Smole's Antigonia 1959 These translations of Smole's play and Sanchez's have never before appeared in English in the West and the Sophocles translation is also a new one This book makes these plays available for the first time Though these twentieth century adaptations of Antigone differ widely in style and theme they all have their ultimate source in Sophocles play The text of the original is thus like a prism turn it this way or that and different colors shine through in each instance The ancient war between Argos and Thebes has developed an archetypal quality in this age of international conflict an age in which our everyday lives are frequently disrupted by events on the global political stage as well as the local domestic one

Sophocles Antigone A New Translation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sophocles Antigone A New Translation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sophocles Antigone A New Translation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sophocles Antigone A New Translation free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sophocles Antigone A New Translation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However,

users should always be cautious and verify the legality of the source before downloading Sophocles Antigone A New Translation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sophocles Antigone A New Translation Books

1. Where can I buy Sophocles Antigone A New Translation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
