"Pearls of Thought" Samuel M. Fleischman, 1912 **La Mettrie: Machine Man and Other Writings** Julien Offray de La Mettrie, 1996-04-18 Julien Offray de La Mettrie 1709-51 author of *Machine Man* 1747 was the most uncompromising of the materialists of the eighteenth century and the provocative title of his work ensured it a *succès de scandale* in his own time. It was however a serious if polemical attempt to provide an explanation of the workings of the human body and mind in purely material terms and to show that thought was the product of the workings of the brain alone. This fully annotated edition presents an English translation of the text together with the most important of La Mettrie's other philosophical works translated into English and Ann Thomson's introduction examines his aims and the scandalous moral consequences which he drew from his materialism. *Launcelot and Guenevere* Richard Hovey, 1900 **Rhetoric and Reality in Plato's "Phaedrus"** David A. White, 1993-02-23 The *Phaedrus* is well known for the splendid mythical panorama Socrates develops in his second speech and for its graphic descriptions of erotic behavior. This book shows how the details of the myth and the accounts of interaction between lovers are based on a carefully articulated metaphysical structure. It follows the dialogue as narrated showing how passages that may not appear relevant to metaphysics have been deployed to heighten the vision of reality that Socrates develops in his second speech and concludes with an Epilogue in which the metaphysical principles adumbrated in the dialogue are ordered and briefly developed. This Epilogue helps illustrate the continuity between the *Phaedrus* and subsequent dialogues such as the *Parmenides*, *Sophist*, *Statesman* and *Philebus* in which methodological and metaphysical concerns are dominant for Plato. As a result new connections emerge between the metaphysical domain in Plato's thought and the more visible and vibrant areas of the psychology of eros and practical rhetoric. Michigan Christian Advocate, 1909 Taliesin Richard Hovey, 1896 **Aeneid** Virgil, 1909 *The Poetical Works of John Dryden* John Dryden, 1909
