Soul Stories Nine Passages Of Initiation:

Soul Stories Gail Burkett, 2015-07-17 *Soul Stories* is a guidebook a gentle companion for your pilgrimage through life's many stages using meaningful ritual to culminate in an initiation to yourself. In this book a journey opens up between you and your Soul. In the simplest rhythm you are guided to continue with your daily agenda or slow down a little if you can while you deeply immerse in your own stories from the beginning of your timeline. This is initiation where you reveal yourself to yourself. You will discover parts and pieces of your Soul like all women hiding beneath oppression, accidents or drama. There are many surprises waiting for you on this journey. Gifts that you were born with will return to you. Consciousness. Stories need to be told and heard not just for our healing but for the generations of women we are raising. Where are the Elders who will teach them? Let's start a movement that includes our daughters. Other books by this author: *Gifts from the Elders*, *Girls Path to Womanhood* and *Girls Ceremonies of Nine Passages* a Kindle Edition. **Nine Passages for Women and Girls** Gail Burkett Phd, 2016-06-12 *Nine Passages* reveals through ceremonies for women and girls how the evolving crossroads of life may meet a Soul's longing and a woman's spiritual needs. As change comes through each human being shaped as much by seasons and winds as by events and relations. Rites of Passage ceremonies are a human right. Rituals to claim maturity and inspiration to dream a new dream. In *Nine Passages for Women and Girls* author Gail Burkett uses her mentor teacher voice gently guiding you to uncover your gifts and find ways to offer those gifts back to the Earth and her peoples. Girls becoming women and women remember our girl selves both seek to explore the shine of individuality and feel belonging. Women need to be seen. All of the ceremonies for Rites of Passage follow concentric rings of relationship from a small group to a larger Circle nestled inside of a Village. Eventually the whole community needs to be seen through these ceremonies for Rites of Passage to become a powerful change agent in our lives. *Nine Passages for Women and Girls* is an uplifting and guided journey through life. From Birth to Death environments and events shape us but the question lingers is this who we are born to be. Ceremonies and Stories of Transformation as the second half of each Passage describing how women and girls have used ceremony to find the compass of their true selves. Crossing the Soul's River William O. Roberts, 2009-10-01 Moving articulate and insightful this book is a welcome exploration of men's spiritual journey at midlife Written by an author with his own extraordinary middle passage the book provides practical insights for men while offering women an invaluable window into men's souls Allan Chinen author of *Beyond the Hero Classic Stories of Men in Search of Soul* Lively and unembarrassed written with great psychological acumen *Crossing the Soul's River* is a major contribution to our understanding of men at midlife This is the conversation men need to have with another man when their familiar old assumptions and priorities no longer make sense Give it to a man you really care about Give it to a woman who wants to know men at the core Stephen Bank coauthor of *The Sibling Bond* *Crossing the Soul's River* is one of the second generation of men's books that are trying to chart concrete steps men can take to do the work we need to do to become more self-actualized and therefore more responsible partners citizens and churchmen Roberts's articulation of men's needs for the wisdom of Sophia is the clearest I have ever read Stephen Boyd author of *The Men We Long to Be Beyond Lonely Warriors and Desperate Lovers* William O. Roberts's compelling book puts the male midlife crisis into its deepest context the growth of ourselves as spiritual beings In so doing it moves well beyond treatments which focus solely on the psychological dimension of this process though Roberts details these too with a sharp insightful eye honed by his own personal experience Most helpful is his detailing of various rites of passage designed to help men navigate through this difficult time In this the book is of practical as well as intellectual use I found the book deeply insightful and altogether illuminating Brian Fay author of *Contemporary Philosophy of Social Science A Multicultural Approach*
