**The Attributes of God** Gerald Bray,2021-01-25 How can we created beings know God the Creator Throughout history the church has recognized the importance of studying and understanding God's attributes As the Creator of all things God is unique and cannot be compared to any of his creatures so to know him believers turn to the pages of Scripture In The Attributes of God renowned theologian Gerald Bray leads us on an exploration of God's being his essential attributes his relational attributes and the relevance of his attributes to our thinking lives and worship As we better understand God's attributes we will learn to delight in who God is and how he has made himself known to us in Scripture

**The Attributes of God** Arthur W. Pink,2006-12-01 The foundation of our knowledge of God rests upon knowing what he is like Without understanding God's attributes we have a skewed perception of him often one cast in our own image We need more than just a theoretical knowledge of God in order to worship him as he desires This classic work of Arthur W Pink invites readers to discover the truth about seventeen attributes of God including his sovereignty immutability patience love faithfulness and much more Pink shows readers a God who is alive all powerful and active in his creation The perfect introductory text The Attributes of God also has enough depth and meat to satisfy the more experienced reader

The Attributes of God A. W. Pink,2009-04-01 Despite the ubiquity of the word God in our daily lives how much time do we spend actually contemplating the nature of the divine In this volume author A W Pink plumbs the Scriptures and Christian theology to compile a

surprisingly detailed account of the nature of God Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis The Knowledge of the Holy A. W. Tozer,2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God s infinity to God s love and relates that aspect to today s world while pointing always to God s wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God s majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us **Praying the Attributes of God** Ann
