## **The Backslider In Heart:**

**The Backslider in Heart** Charles Grandison Finney, 1980      *The Backslider in Heart* Charles Finney, 2020-03-24 This Classic book *The Backslider in Heart* introduces and orients the reader to critical biblical theological thinking from a biblical perspective Finney's presentation is written with a clarity that fosters biblical thought and facilitates Bible comprehension You won't be disappointed While staunch Calvinists believed in the perseverance of the saints Finney believed that a Christian could backslide or turn back from the Christian life and revert to a life of sin In this address Finney clarifies his theology of backsliding first explaining what it is not then what it is He describes what a backslidden life might look like and what consequences living in sin bring upon the sinner Finney is consistently one of the best Bible scholars and this one is at the top of his writing He's bold in his writings but solid in Scripture It's impossible to measure the influence of Finney over God's church His works remain in print and are widely read which shouldn't surprise us He is considered one of the most outstanding pastoral evangelistic writers on practical and devotional themes      **The Backslider in Heart** Charles Finney, Classic Domain Publishing, 2014-07-06 The backslidden condition is a lot more common than people like to believe especially about one self You may fool yourself into believing that you are in good shape with the Lord But let me tell you if you have a sin or sins you have not overcome yet then that is a very real sign that you are not in a pure state before God i.e. backslidden or lukewarm Take the diagnoses that Charles Finney gives and carefully and soberly consider whether you have any backslidden tendency in your heart or actions Because of the deceitfulness of sin you may not be very good at your own diagnosis Earnestly ask the Holy Spirit what areas in which you need to overcome If you already know you need to overcome that is a good sign that you are hearing from God Then take the crucial next step and earnestly ask the Lord to help you overcome ALL sin Including any disobedience It is a great deal more important than you realize      **The Changes of Ephraim; Or, the Backslider's Warning** John MACGOWAN (Baptist Minister.), 1840      **The Backslider in Heart** Albert M. Camon, 2014-03-12 Have you drift off course in relationship with God Have you been enticed by Satan's schemes and fallen

back into a lifestyle of sin Do you have a longing in your heart to have close intimate fellowship with God once again Maybe you are not the one who has turned away from God but perhaps you know someone who was once in a loving relationship with God devoted to living life for him but now have turned their back on God If you have found yourself in either of these scenarios then The Turning Point Rebuilding Your Relationship With God is the book for you The Turning Point Rebuilding Your Relationship with God addresses some of the enticing schemes that Satan uses to cause believers to become disloyal to God and commit spiritual adultery It expounds on the dangers of drifting off course and the devastating effects that it can have on ones life Using biblical examples it demonstrates the point that even the most devoted Christian can stray away if he or she falls prey to the temptations orchestrated by Satan It also provides a strategic plan on how a Christian can remain anchored and techniques that they can use to prevent them from falling back into a lifestyle of sin The Turning Point gives those who may have backslidden a step by step approach to reaching a turning point and the guidance needed in rebuilding their relationship with God Finally this book stresses the role and responsibility that each Christian plays in helping an erring brother or sister return to God     Revivals of Religion Charles Grandison Finney, 1928
