Roddy Doyle's acclaimed Booker Prize nominated novel a darker portrayal of midlife crisis and an expansively farcical chain of misadventures The New York Times Book Review Jimmy Rabbitte Sr is unemployed spending his days alone and miserable When his best friend Bimbo also gets laid off they keep busy by being miserable together Things seem to look up when they buy a decrepit fish and chips van and go into business selling cheap grub to the drunk and the hungry and keeping one step ahead of the environmental health officers Set during the heady days of Ireland's brief euphoric triumphs in the 1990 World Cup The Van is a tender and hilarious tale of male friendship and family life

In the Wake of the Tiger David

Clark, Rubén Jarazo Álvarez, 2010-09 The field of Irish Studies has undergone a period of great fruitfulness over the last decade Concurrent with the economic revolution and subsequent financial crash an immense interest in the island of Ireland and her cultural practices has been apparent from parts of the globe and academic debate on Irish culture and society has been intense and prosperous This volume contains a number of essays which approach a variety of issues raised within the framework of post Celtic Tiger Ireland with contributions from scholars working in Europe The book is divided into four sections on Trauma Studies on the relationship between Ireland with Europe and the rest of the world on Audiovisual Studies and on Ireland and the Celtic Tiger The essays reflect a variety of issues which are of great relevance to an understanding of the world of Irish Studies at the end of the first decade of the twenty first century

The Barrytown Trilogy Michael

Cronin, 2006 The publication of The Commitments The Snapper and The Van signaled the emergence of a significant new voice in Irish fiction The significance lay not only in the description of a particular milieu and the social reality evoked but more particularly in the form of writing used to portray the lives of the fictional Barrytown characters The book explores the dialectical relationship between the world of the Barrytown characters as mediated through filmed and televised experiences and the translation of these experiences into the film medium in Parker's and Frears' work The book will trace the genesis

and impact of the change in Ireland's fortunes on the work of Doyle Parker and Frears and show how the increasing differentiation of boundaries between economy and culture meant that a body of literary and cinematographic work like the Trilogy was as much a contributory factor to the contemporary transformation of Ireland as a reflection of it 1994
