Do you want to be able to play your favorite songs on guitar? Do you think that you're not musical or lacking talent? Do you want to be able to play for your family and friends or perform in front of an audience? Do you want to become more creative and smarter person? Is your dream to learn to play guitar? If so you're at the right place. Learning guitar today has never been easier thanks to the internet. The problem is that there is an overabundance of information available today and only a small percentage of people ever really learn anything. Most of them quit because they get overloaded with all the lessons, tips, tricks, advice. They don't know where to begin and what to work on in order to get the exact skills needed to play something that interests them and then quickly burn out. When new guitar players don't get the wanted results they start thinking it's because of their lack of talent and they start losing inspiration. All that leads to having more and more excuses to not practice eventually losing

interest and quitting While having the correct mindset when learning any new skill is very important the biggest issue is usually in the lack of a proper structure a step by step information which is exactly what this book gives you It takes you step by step in detail from the beginning to mastering the basics on guitar Mastering guitar basics can be divided into four stages 1 Learning about How guitars work How to choose and buy the best first guitar Essential guitar accessories Guitar parts Ideal mindset for learning guitar and failing to quit ever 2 Learning the very basic music theory and how it applies on guitar and practical aspects of getting started on guitar Learning about the note circle Where does guitar tuning comes from Names of the open strings How to find notes on guitar How to read tabs and chord boxes How to hold a pick and correct body posture 3 Learning how to play the basic chords on guitar 3 main types of chords Learning the basic Major Minor and Dominant chords How to play more advanced barre chords How to build up the necessary finger strength and finger stretching capabilities in order to play all these chords How to master the chord changes 4 Developing your rhythm skills Understanding the time signature Learning how to strum a guitar Playing chords with strumming patterns Playing with a metronome This book explains 15 basic chords that will get you started and keep you busy for awhile and it gives you the best exercises with a routine to build up your finger strength master the chord changes and work on your finger stretching abilities in order to be able to play guitar chords Learning guitar chords obviously isn t enough If you want to play songs you ll have to know how to strum them too and keep the rhythm going That s why the last stage is all about strumming and developing your rhythm skills This is the secret to really sounding good on guitar Having amazing rhythm skills will make a difference from sounding mediocre to sounding like a professional guitar player This is a comprehensive 100 page guide book with pictures illustrations chord diagrams and tabs that will help you learn guitar as fast as possible Tags how to play guitar guitar book music theory guitar exercises guitar beginner *Learn How to Play Guitar Beginners Guide* Rolando Newman,2024-07-17 When my Uncle Mike lost his job at 50 he felt lost and hopeless On a whim he picked up this book
