Stephen Nover,2013-09-25 With an estimated 20 to 30 million participants fantasy football has burst into the mainstream of American pastimes CBS FOX ESPN and ABC devote significant airtime to fantasy predictions and advice and there are over a dozen magazines devoted solely to the subject Despite its meteoric rise in popularity there has never been an authoritative and comprehensive book covering all aspects of the game Until now In this invaluable handbook sports writer handicapper and gambling aficionado Stephen Nover presents a first of its kind guide for dominating your league year in and year out First time players and fantasy gurus alike will benefit and profit from the hard won wisdom insider tips and battle proven strategies found here From off season study and draft day strategies to team maintenance and playoff mentality this book delves deeper than any magazine to reveal the overall strategies and underlying philosophies that win every year *2021 Fantasy Football Almanac* Sean Ryan,2021-06-11 Updated June 11th and includes analysis of the Julio Jones Trade Have you noticed most 2021 Fantasy Football Magazines and Fantasy Football Books tend to recycle the same information the same sleepers and the same tiers This is because they re all using the same information last year s stats Last year s stats won t tell you how Justin Herbert will acclimate to his new offense or what new head coach Arthur Smith or the trade of Julio Jones will impact the Falcons offense A few years ago I was like everyone else I scoured the Internet and Fantasy Football publications searching for any advantage I found myself reading 10 15 different books that all wound up telling me the same thing Making things worse they were telling all of my competition as well That s when sleeper picks become overhyped and over drafted To avoid draft day misses I knew I had to dig into the data I knew I had to watch film and after a while I came to realize Fantasy Football success comes from knowing the offensive schemes and how a player s talents will be used in an offense This is why as my Fantasy Football Book predicted Josh Allen flourished last year Think about this If all my Fantasy Football Almanac and Draft Guide did was tell you about one sleeper who is so far forgotten you could draft him and start him in the last round would it be worth it My readers who picked up J K Dobbins and Antonio Gibson in the middle rounds last year certainly think so Or if all this Fantasy Football Almanac and Draft Guide did was keep you from using your draft day picks on season long busts This is more than a fantasy football magazine It s a fantasy football scouting agency We blend next gen sports analytics with good old fashion film study I literally watch every single preseason game in order to properly calibrate this guide s rankings throughout the offseason That s right The Fantasy Football Almanac and Draft Guide comes with FREE updates You don t have to pay 5 a month to access them If you buy the book we have you covered Included Within 300 detailed player writeups with three year statistical progression included Instructions on how to interact with Sean throughout the offseason Over half of the league has a new head coach or offensive coordinator How does this impact fantasy potential Sean s shares insights based on film study and statistical analysis to project the impact of new offensive schemes We ve updated our

algorithms to include play calling tendency of coaching staffs Other guides use historical data to project their totals The Fantasy Football Almanac and Draft Guide is the only fantasy football magazine that utilizes scouting for future rankings Our draft strategy is primed to maximize the value of every draft pick Defense and Kicker analysis has been completed to identify competitive advantage at these positions which are commonly ignored We ve completed an easy to follow draft guide with useful tips for fantasy football rookies and fantasy football experts alike Overall player tiers definition which is more useful for draft strategy when playing in leagues with multiple team counts Expanded sleeper list that is rooted in scouting coaching analysis and analytics You won t find these players in other guides Risky players list which identifies popular players that carry risk are over drafted based on our analysis and or carry significant bust potential Fantasy Rankings for different league types PPR Non PPR 1 2 PPR Superflex Dynasty We track 2021 offseason movement coaching changes and draft selections
