The Cure Dars St Jean Marie Baptiste Vianney:

The Curé D'Ars, St. Jean-Marie-Baptiste Vianney (1786-1859) Francis Trochu, 2007 The definitive life based on the official Process of Beatification and Canonization and thus totally factual and documented Of humble education and assigned to a forgotten farmers village he attracted the whole world to Ars and was proclaimed Patron Saint of Parish Priests in 1929 He ate one meal a day slept only a few hours a night heard confessions up to 17 hours a day converted thousands His body remains incorrupt A grace filled story of total love of God 624 pgs PB **Cure D'Ars Today** George Rutler, 2014-06-23 Everyone who thinks Vianney is already well known will find not simply new information but what has new meaning for each discoverer That meaning may well differ for each reader The descriptions of the Cur encounters with Satan and his lesser angels and of the hours in the confessional were my own personal crucial rediscoveries The retreat by Pope John Paul II given at Ars is an extraordinary bonus in this extraordinary work An important fascinating work by an important fascinating author John Cardinal O Connor In the Cur f Ars we have an incomparable guide He remains for all an unequalled model both of the carrying out of the ministry and of the holiness of the minister Pope John Paul II This is a very unusual perhaps even a unique biography Father Rutler does more than give the facts about the life of the Cur f Ars With bold strokes like a master Chinese calligrapher he captures the spirit of the age in which he lived unveils the sanctity of a humble parish priest and gets to the heart of what it means to be a priest not just then but now and for all time Along the way Father Rutler brilliantly shows that the Cur f Ars is a priest for all seasons Kenneth Baker S J Editor Homiletic and Pastoral Review **Thoughts of the Cure D'Ars** Saint Jean-Baptiste-Marie Vianney, 1984-06 The most beautiful simple inspiring statement of practical Catholic wisdom any of us will likely ever read Gain spiritual wisdom from a saint who made it to heaven one who as a parish priest had the duty to care for souls like ours Learn why so many souls went to the Cure of Ars while he was alive and even more pray to him now that he is in heaven An extremely popular booklet **The Little Catechism of the Curé of Ars** St. Jean-Marie Baptiste Vianney, 1994-06 Catholic wisdom stated in a simple sublime penetrating way His sage counsel on 36 important topics Probably the most persuasive exhortation ever urging us to renounce sin **The Spirit of the Cure of Ars** Saint John Vianney, 2018-02-06 Jean Baptiste Marie Vianney known in English as John Vianney was a French priest that lived from 1786 1859 afterwards to become famous as the Cur of Ars He was a man that overcame his meager education and was ordained priest His work as a confessor is John Vianney s most remarkable accomplishment because of the remarkable spiritual conversion of the people of his community and its surroundings he spent 11 to 12 hours daily reconciling people Besides reconciling sinners with God the indefatigable cure was frequently engaged in the important work of directing souls to the knowledge and attainment of their vocation and in giving other counsel valuable in their spiritual life This book The Spirit of the Cur of Ars gathers some of his catechisms homilies exhortations and his thoughts when directing the souls of people in this work the Spirit of God which was in him gave an incomparable fitness and simplicity to all his words which

were animated by the extreme tenderness of his heart In his homilies he was accustomed to recall the scenes of his early life as a farmer boy and he employed the analogies and arguments drawn from external nature and according to his own statements it was evident that there was nothing in the visible world that had not reminded him of God and of eternity Besides these expressive comparisons Father Vianney s sermons frequently described incidents drawn from his personal experience His intellectual and moral perfection of the human faculties refined by grace was very striking in M Vianney He had no variety or extent of human sciences But he had what supplies the place of knowledge and even of experience the faith which knows and foresees all things He had great practical wisdom a profound knowledge of the ways of God and of the miseries of man an admirable sagacity a prompt and accurate judgment an acute judicious and penetrating mind He was endowed besides with a supernatural memory an exquisite tact and a power of observation which would have made him formidable to those who approached him if his great and indulgent charity had not softened all his judgments Jean Baptiste Marie Vianney was placed by Providence in an unknown corner of a little town and made him shone under a bushel rather than on a candlestick he shone before the world with incomparable brilliancy he was a triple representation of our Lord setting before men the light of truth with an example of captivating goodness and edifying virtue

Sermons of the Curé of Ars Jean-Marie-Baptiste Vianney,2022-09-15 In Sermons of the Cur of Ars Jean Marie Baptiste Vianney widely revered as the patron saint of parish priests distills his pastoral wisdom into a collection of sermons that illuminate the spiritual path for the faithful This work characterized by its heartfelt simplicity and profound theological depth addresses both the external and internal dimensions of faith Vianney s conversational yet eloquent prose invites readers to contemplate the mysteries of God the importance of love and the call to holiness within the context of everyday life reinforcing his role as a spiritual guide during the tumultuous era of post Revolutionary France Born in 1786 in Dardilly France Vianney faced numerous obstacles on his journey to the priesthood including a challenging education and the shadow of the French Revolution on the Church His experiences instilled in him a deep understanding of human nature and the complexities of faith which he eloquently conveys in his sermons As the Cur of Ars Vianney dedicated his life to serving his parishioners earning a reputation for his extraordinary compassion pastoral care and ability to connect with the spiritual struggles of the common man I highly recommend Sermons of the Cur of Ars not just to those seeking spiritual guidance but also to readers interested in the intersection of literature theology and history Vianney s reflective insights and pastoral exhortations continue to resonate today offering timeless messages of hope and holiness
