The Curvy Voice Coach And The Billionaire Actor He Wanted Me Pregnant:

The Curvy Voice Coach and the Billionaire Actor (He Wanted Me Pregnant!) Victoria Wessex, 2014-06-12 Curvy voice coach Charlotte is used to helping actors get their accents right but this time she's way out of her depth. Hired to teach Hollywood hunk Tanner Cole a British accent in just one week she makes a lasting first impression when she accidentally flashes him on webcam. Dragged from her sheltered life in London the posh Brit soon finds herself in the craziness of Beverly Hills and living in Tanner's mansion. The billionaire actor turns out to be as blue collar and as hot as they come and she needs every trick in her book to help him fake it as an English lord. Unhappy with her curves Charlotte can't believe that he could possibly be interested in her. But when their rehearsals for romantic scenes keep getting out of control she begins to see that the bad boy has hidden depths. Does he want more than a one night stand? And can he overcome her own fears and insecurities to win her over? If he can their troubles may be just beginning. Charlotte's been hiding her entire life. Is she ready for the glare of the spotlight?

Pregnant by the Billionaire Leslie North, Donovan Fitz lives by the saying Go big or go home. And what could be bigger and draw more attention to him and his mega billion dollar video game business than creating a reality TV show about his quest for a wife? He'll just have to deal with the distraction of his sexy producer Melissa Hampton and try to forget the amazing night they spent together. It's all about the show the attention the ego building blaze of publicity until he finds out Melissa's pregnant with his baby. Now all Donovan wants is her. But the plot twist of becoming a father while still looking for a wife is ratings gold and could be the big break Melissa deserves. If only he can convince the camera shy Melissa that putting their story out there would be good for both of them. Melissa is terrified and excited at the prospect of becoming a mother. And if she's honest Donovan's excitement about becoming a father is sweet. What's not sweet at all is the pressure to use her pregnancy as a dramatic twist in their reality show. She craves a quiet life at the edges of show business and doesn't want anything to do with the spotlight. In the end though Melissa knows she can't hide completely if their show is going to bring in the ratings. Too bad that means she can't trust a thing. Donovan says to her while the cameras are rolling. The reality is though she's fallen in love with him despite her determination not to. And now Donovan must figure out which will crush her less killing her career making show or letting her ignore just how right they are for each other. This novel contains sexual content and profanity.
