The Christian's Daily Walk Henry Scudder, 1826 **The Daily Walk Bible** , 1997-07-10 Walk through the Bible in a year with a devotional thought and Bible verse for each new day *My Daily Walk with Jesus* Bernd Weimer, 2014-09-11

Time time time In this fast moving world of modern ever changing technology we all struggle with time to do the things we know we need to do One of those need to disciplines is the daily reading of God's Word in a way that is life changing and mind renewing When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year it was all I could do to keep from saying Oh no not another read the Bible in a year book Although I was inwardly skeptical I encouraged him as he started the project There were so many books already written from a Bible devotional nature that Bernd's book would have to be very unique to be accepted and widely used But Bernd has pulled it off He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure This book is more than just a Bible reading plan When used this book can become a lifelong journal filled with your impressions from the Lord special quotes from people that have touched your heart and spirit and your own personal Bible study notes To the casual reader this book will be impressive because of its sheer simplicity and yet many will be astonished by the book's depth of allowing the reader to make it his or her own life history with the Lord It is a single bright sword cut across three different books in one a Bible reading guide a person journal and a Biblical insight on key passages Pastor Charles Morris Founder and Senior Pastor RSI Ministries *The Daily Walk Bible NIV* Tyndale House Publishers, 1997-10
