**The Dalai Lama's Cat and the Claw of Attraction** David Michie,2023-11-14

The Dalai Lama regarded their flushed animated faces his forehead wrinkling The materialist approach he nodded Seeking to change what you believe to be entirely outside you It has many problems For example why must you constantly postpone your happiness India s Top Ten Social Influencers Under 30 were taken aback by this question Staring at him their eyes filled with consternation Postponing happiness was something they most definitely wanted no part of For example if our happiness depends on having the new diamante sunglasses he chuckled Or the perfect boyfriend he beamed from the girl dressed in crimson to the one in emerald green Or having ten million followers he nodded at the woman in the yellow sari What do we do until then If we are constantly yearning for material things that we don t have yet then our happiness is always around the corner Or at the top of the next mountain Why do you not wish to be happy here and now Without needing anything else Happy as I am In a chance encounter with India s Top Ten Social Influencers the Dalai Lama is asked to how to use the law of attraction to manifest abundance He points out that material wellbeing was never the goal of such practices as he begins to explain their true purpose It is a purpose that His Holiness s Cat goes on to explore with her usual warm hearted and wonky legged aplomb Is the world much more a projection of our mind than we suspect Can a few precious insights transform our reality In a drama of intimate revelations as well as panoramic visions of encounters with much loved friends along with intriguing newcomers the Dalai Lama s Cat comes to discover that The Claw of Attraction holds the key to a more sublime transcendence than she ever believed possible Stretch out your own talons dear reader and you may too

**The Dalai Lama's Cat** David Michie,2021-11-30 Oh How adorable I didn t know you had a cat she exclaimed I am always surprised how many people make this observation Why should His Holiness not have a cat If only she could speak continued the actress I m sure she d have such wisdom to share And so the seed was planted I began to think that perhaps the time had come for me to write a book of my own a book that would convey some of the wisdom I ve learned sitting not at the feet of the Dalai Lama but even closer on his lap A book that would tell my own tale how I was rescued from a fate too grisly to contemplate to become the constant companion of a man who is not only one of the world s greatest spiritual leaders and a Nobel Peace Prize Laureate but also a dab hand with a can opener Starving and pitiful a mud smeared kitten is rescued from the slums of

New Delhi and transported to a life she could have never imagined In a beautiful sanctuary overlooking the snow capped Himalayas she begins her new life as the Dalai Lama s cat Warmhearted irreverent and wise this cat of many names opens a window to the inner sanctum of life in Dharamsala A tiny spy observing the constant flow of private meetings between His Holiness and everyone from Hollywood celebrities to philanthropists to self help authors the Dalai Lama s cat provides us with insights on how to find happiness and meaning in a busy materialistic world Her story will put a smile on the face of anyone who has been blessed by the kneading paws and bountiful purring of a cat

**The Astral Traveller's Handbook and Other Tales** David Michie, 2019-08-27 In this collection of short stories David Michie offers life enhancing insights with the same heart warming compassion that pervades his Dalai Lama s Cat books Whatever dreams he was having Jason knew they had nothing to do with his physical body His eyes were firmly shut and his consciousness withdrawn from his senses when all this was going on Yet in his dreams he experienced sights sounds and even visceral sensations much more intensely than when he was awake From this he understood that you didn t need a physical body to see or smell or endure any kind of experience with an acuteness that was more real than reality From an early age he deduced that heaven or hell need not be material places so much as states of mind and no less glorious or horrifying because of that There were no limits to mind untethered from form What if you could re live the enchantment of childhood bedtime but with magic that is real What if you felt the wonder you once sensed when you believed that anything is possible Or were inspired to see the world through fresh eyes In this compendium of delightful short stories David Michie draws us into the extraordinary experiences of everyday people as they encounter those tell tale cracks exposing reality as not quite what it seems Four female book club members are unexpectedly propelled by the same black and white photograph to discover a shared purpose beyond their wildest imaginings An earnest young seeker finds that drawing aside the veil to an immeasurably more wonderful reality doesn t depend so much on the arcane books he reads as on a source much closer to home A cat crazy woman who wishes her beloved felines would talk to her is shaken when she realises what they have been trying to communicate all along Through intriguing storylines and revelations David Michie offers life enhancing insights with the same heart warming benevolence that pervades his Dalai Lama s Cat books How better to gently unwind at the end of the day and to prepare for the infinite possibilities we may encounter in the realms of our dreams

Together they must decide who they can really trust The Secret Mantra weaves breakthrough science and spiritual insights into a heart stopping storyline It won't just have you turning the pages It will shake up your whole idea of who you are and the transformation of which you are capable The Magician of Lhasa David Michie,2020-12-22 When novice monk Tenzin Dorje is told by his lama that the Red Army is invading Tibet his country's darkest moment paradoxically gives him a sense of purpose like no other He accepts a mission to carry two ancient secret texts across the Himalayas to safety Half a century later in a paradox of similarly troubling circumstances Matt Lester is called upon to convey his own particular wisdom as a scientist when Matt's nanotech project is mysteriously moved from London to a research incubator in Los Angeles Tenzin and Matt embark on parallel adventures which have spine chilling connections Tenzin's perilous journey through the Himalayas amid increasing physical hardship and the ever present horror of Red Army capture is mirrored by Matt's contemporary but no less traumatic challenges as his passionate relationship with his fiancée Isabella and his high flying career undergo escalating crises It is at the moment when both Tenzin and Matt face catastrophe that their stories converge spectacularly transforming our understanding of all that has gone before Dalai Lama's Cat and the Four Paws of Spiritual Success David Michie,2019-11-19 If you're wondering how being in the presence of an enlightened person may be communicated on the pages of book written by a flawed and complex if extremely beautiful cat let me confess that my only job here is to offer you a mirror A looking glass of a particular kind One that reflects back not the contours of your nose or the arch of your brow but which provides a much deeper reflection of who and what you are Look closely dear reader there's no need to be afraid For what you will discover if you ever doubted it is that your own true nature is quite different from whatever flecks and imperfections may temporarily obscure it At heart you are a being whose pristine nature is nothing other than pure great love and pure great compassion Mine too **Four Testaments** Brian Arthur Brown,2016-07-08 Four Testaments brings together four foundational texts from world religions the Tao Te Ching Dhammapada Analects of Confucius and Bhagavad Gita inviting readers to experience them in full to explore possible points of connection and divergence and to better understand people who practice these traditions Following Brian Arthur Brown's award winning Three Testaments Torah Gospel Quran this volume of Four Testaments features essays by esteemed scholars to introduce readers to each tradition and text as well as commentary on unexpected ways the ancient Zoroastrian tradition might connect Taoism Buddhism Confucianism and Hinduism as well as the Abrahamic faiths Four Testaments aims to foster deeper religious understanding in our interconnected and contentious world **The Dalai Lama's Cat and the Art of Purring** David Michie,2013-11-28 What makes you purr Of all the questions in the world this is the most important It is also the great leveler Because no matter whether you are a playful kitten or a sedentary senior a scrawny alley Tom or a sleek coated uptown girl whatever your circumstances you just want to be happy Not the kind of happy that comes and goes like a can of flaked tuna but an enduring happiness The deep down happiness that makes you purr from the heart Before leaving for a teaching tour to

America the Dalai Lama poses a challenge to his beloved feline HHC His Holiness's Cat to discover the true cause of happiness Little does she know what adventures this task will bring A hair raising chase through the streets of McLeod Ganj leads to an unexpected revelation about the perils of self obsession An encounter with the mystical Yogi Tarchen inspires a breakthrough discovery about her past one with dramatic implications for us all And overheard conversations between Ivy League psychologists high ranking lamas and famous writers who congregate at the Himalaya Book Caf help her explore the convergence between science and Buddhism on the vital subject of happiness Sparkling with wisdom warmth and a touch of mischief The Dalai Lama's Cat and the Art of Purring is a charming reminder of why HHC is becoming one of the most loved cats around the world So what is the true cause of purring The Dalai Lama whispers this secret on his return only for the ears of HHC and those with whom she has a karmic connection that dear reader means you *The Dalai Lama's Cat and the Four Paws of Spiritual Success* David Michie, 2019-11-19 The fourth book in the globally popular Dalai Lama's Cat series His Holiness's Cat explores the four main themes of Tibetan Buddhism *Il gatto del Dalai Lama e il potere del miao* David Michie, 2021-10-20 Grazie agli insegnamenti di yogi e lama e all'incontro con nuovi e vecchi amici scoprirete insieme alla gatta pi famosa del mondo come liberarvi dalle storie nocive che raccontate su voi stessi e come vivere appieno nel presente Se non puoi cambiare il mondo almeno puoi cambiare il modo in cui lo vivi Il mondo pieno di persone che non conoscono la meditazione che la praticano solo di tanto in tanto o che pur avendo letto decine di libri sull'argomento l'hanno abbandonata cos anche per Rinpoche la gatta del Dalai Lama che con sua somma vergogna non ci mai riuscita I suoi pensieri finiscono sempre per vagare alle leccornie che manger o a quel fastidio alla zampa posteriore come se delle pulci la distraessero in continuazione Eppure una delle creature pi vicine al Dalai Lama e alla sua illuminata presenza L'occasione per riscattarsi arriva quando la signora Trinci la chef di Sua Santita ha un infarto e il medico oltre a prescrivere una serie di medicine le raccomanda un sistema complementare per controllare lo stress la meditazione cos che il Dalai Lama si offre di diventare il suo maestro e lancia una sfida meditare dieci minuti al giorno per sei settimane Forse in questo modo lei e Rinpoche riusciranno a comprendere e sperimentare il potere del miao la felicit che viene dalla consapevolezza del momento dal vivere nel qui e ora Perch quando si presta veramente attenzione con la mente aperta e i sensi acuti siamo in grado di provare una gioia intensa anche per le cose pi semplici *The Dalai Lama's Cat* David Michie, 2012-10-01 In the months that followed I watched His Holiness working on a new book I began to think that perhaps the time had come for me to turn my paws to a book of my own one that tells my own tale How I was rescued from a fate too grisly to contemplate to become constant companion to a man who is not only one of the world's greatest spiritual leaders and a Nobel Peace Prize laureate but who is also a dab hand with the can opener Not so much fly on the wall as cat on the sill this is the warmhearted tale of a small kitten rescued from the slums of New Delhi who finds herself in a beautiful sanctuary with sweeping views of the snow capped Himalayas In her exotic new home the Dalai Lama's cat encounters Hollywood stars Buddhist masters Ivy League

professors famous philanthropists and a host of other people who come visiting His Holiness Each encounter offers a fresh insight into finding happiness and meaning in the midst of a life of busy ness and challenge Drawing us into her world with her adorable but all too flawed personality the Dalai Lama s cat discovers how instead of trying to change the world changing the way we experience the world is the key to true contentment Featuring a delightful cast of characters timeless Buddhist wisdom and His Holiness s compassion pervading every chapter The Dalai Lama s Cat is simply enchanting *The Dalai Lama's Cat: Awaken the Kitten Within* David Michie,2021-11-12 As kittens we feel it often All it takes is a wind blown feather an unexpected delicacy or the alluring rush of water and instantly we are caught up in it wonderment Enchantment Being fully absorbed in the here and now By the time we reach senior status way beyond the point of being impressed by such trivia we have become knowing and indifferent But we have lost something have we not Which begs answers to some intriguing questions Is it possible to recover the unaffected zest for life which once came to us so naturally To become un blase Can you and I dear reader awaken the kitten within The Dalai Lama s Cat is confronted by a most unpleasant truth she is getting old A routine visit to the vet confirms this But is a future of decrepitude and senior cat biscuits inevitably a cause for despair As it happens she soon finds that a startling reminder of life s transience is exactly what s needed to renew our gratitude for life To lighten up accept ourselves and value what truly matters With irrepressible mischief the Dalai Lama s Cat explores the intriguing insight that reality is a projection of our mind In so doing she comes to discover that awakening the kitten within is not just possible it is our purpose For when we do so with a particular wisdom we catch a glimpse of our own sublime nature With a benevolent energy that reaches from the pages this is the Dalai Lama s Cat at her most tender irreverent joyful best
