The Dance Of Reality A Psychomagical Autobiography:

The Dance of Reality Alejandro Jodorowsky, 2014-06-06 A glimpse into the mind and life of one of the most creative and enigmatic visionaries of our time filmmaker Alejandro Jodorowsky Retraces the spiritual and mystical path Jodorowsky has followed since childhood vividly repainting events from the perspective of an unleashed imagination Explores the development of the author s psychomagic and metagenealogy practices via his realization that all problems are rooted in the family tree Includes photos from Jodorowsky s appearance at the 2013 Cannes Film Festival and from the film based on this book which debuted at Cannes Retracing the spiritual and mystical path he has followed since childhood Alejandro Jodorowsky re creates the incredible adventure of his life as an artist filmmaker writer and therapist all stages on his quest to push back the boundaries of both imagination and reason Not a traditional autobiography composed of a chronological recounting of memories The Dance of Reality repaints events from Jodorowsky s life from the perspective of an unleashed imagination Like the psychomagic and metagenealogy therapies he created this autobiography exposes the mythic models and family templates upon which the events of everyday life are founded It reveals the development of Jodorowsky s realization that all problems are rooted in the family tree and explains through vivid examples from his own life particularly interactions with his father and mother how the individual s road to true fulfillment means casting off the phantoms projected by parents on their children The Dance of Reality is autobiography as an act of healing Through the retelling of his own life the author shows we do not start off with our own personalities they are given to us by one or more members of our family tree To be born into a family Jodorowsky says is to be possessed To peer back into our past is equivalent to digging into our own souls If we can dig deep enough beyond familial projections we shall find an inner light a light that can help us through life s most difficult tests Offering a glimpse into the mind and life of one of the most creative and enigmatic visionaries of our time The Dance of Reality is the book upon which Jodorowsky s critically acclaimed 2013 Cannes Film Festival film of the same name was based
