The Power and the Passion

Emma Darcy,1989 **From This Day Forward** Joana Starnes,2013-05-03 New cover for the same book A sequel to Jane Austen s Pride Prejudice inspired by the 1995 BBC adaptation and in its spirit From This Day Forward explores life at Pemberley after Elizabeth Bennet s marriage to Fitzwilliam Darcy and the turns their fates might have taken

On a crisp winter morning in a small country church Miss Elizabeth Bennet married Mr Darcy and her quiet tame existence had abruptly changed The second daughter of a country gentleman is now many different things to different people Beloved wife Mistress of a dauntingly great estate Reluctant socialite Daughter Sister Cousin Friend Her world is very different too touched by a series of events that the creator of Pride Prejudice would have recognised As the days of her married life go by bringing both joy and turmoil the man that stands beside her is her shelter and comfort in the face of family opposition peril and heartbreak Three very different Christmas seasons come to serve as landmarks to their lives and there are blissful days and times of sorrow at the old English country house And before too long a time would come when Darcy must decide if he is prepared to risk everything for the sake of a full life together or succumb to the collection of his fears Quiet footsteps eerily quiet drew him from his trance He looked up and followed The ghostly sound faded as he reached the eastern staircase and he took the steps two at a time down to the very bottom A madman s quest for he knew not what pushed him to the gallery In

the light of the moon from her portrait his grandfather s first wife looked down upon him with the deepest compassion He dug his fingers in his hair A long dry sob racked his chest as he pounded the frame of the unfortunate woman s likeness and broken gilt plaster fell to the floor He covered his mouth with his fist stifling the groan And ran out of the deathly silent room chased by his demons **Disciplined by the Darcys** Abbey North,2019-11-12 Pride Prejudice is reimagined in this retelling Lizzy is a young woman of modest means and social standing working as governess to the Darcy cousins Richard and Fitzwilliam She spies where she should not and the Darcy men show her the error of her ways via her sweet submission Will Lizzy capture and hold the attention of these two high born gentlemen or is her passionate nature going to lead her to ruin The author holds both Fitzwilliam and Richard in high regard She has long wished for Richard to have a happy ending just as Lizzy and Fitzwilliam did Then the idea occurred to her that perhaps Richard s happy ending was the same source as his cousin s and this story was born *The Last Grand Passion* Emma Darcy,1998-01 Thady Riordan walked out of Anne s life to pursue his career on the other side of the world For seven years he cut off all communication with her Now he was back offering to share his home his body and Anne believed his heart But something was taking him away from her for long unexplained periods something that tormented him and kept him from confiding in her **Whirlpool of Passion** Emma Darcy,1988 Whirlpool Of Passion by Emma Darcy released on Sep 24 1988 is available now for purchase **Climax of Passion** Emma Darcy,1995 Climax Of Passion by Emma Darcy released on Aug 25 1995 is available now for purchase
