The Dark Side Of My Soul:

The dark side of my soul Vittorio Ciani,2021 *Unlocking the Consciousness of Your Soul* Terry L. Newbegin,2012-10

The book is about my experiences in life and how those experiences introduced me to the wisdom of my very soul It is a story about where I truly began as a child of God who I thought I was because of where I was born and how I became enlightened to the most profound kept secrets that were ever devised in the history of mankind It is a story that unravels the mystery behind your suffering Without realizing it your soul has been hiding from you for many lifetimes and by choosing to open up your heart and put aside your dogmatic beliefs for a while your soul will reveal to you all the whys of you choosing the route of sin physicality earth brainwashing forgetfulness and suffering as the means to remember who you are If you are looking for clarity in life and how to overcome distress grief anger and the pain you are feeling right now then it becomes very important to understand who you truly are where you truly come from how miracles are created and why you do the things you do It is a story that touches on the human struggles of life and how to overcome them just by learning to connect to the wisdom of your soul The story takes you all the way back to the first creation known as the Garden of Eden and how it relates to your evolution through time and space When you live and make decisions from the mind of reason from others long established interpretations of God s written words and from what the experts assert what is best for you your soul cannot bring forth the wisdom that you hold deep within your consciousness Thus you become more and more susceptible to turbulent experiences *Soul Communication* Zhi Gang Sha,2008-10-14 Shares insights into the author s work as an integrative medicine practitioner explaining how the applications of certain spiritual principles and laws can enable healing benefits in all areas of a life *Legends and lyrics* Adelaide Anne Procter,1886 *Tao I* Zhi Gang Sha,2010-07-06 Tao is The Way Tao is the source of all universes Tao is the principles and laws of all universes In the sixth book of the Soul Power Series New York Times bestselling author Master Zhi Gang Sha shares the essence of ancient teachings of Tao and reveals a new Tao text for the twenty first century that he received directly from the Divine These new divine teachings reveal how Tao exists in every aspect of life from waking to sleeping to eating and more Master Sha explains how Tao uses the processes of normal creation and reverse creation for all life He also shares advanced soul wisdom and practical approaches for reaching Tao In this process healing rejuvenation and life transformation occur In contrast to the ancient Taoist wisdom knowledge and practices the new sacred teaching in this book is extremely simple practical and profound Studying and practicing Tao has many great benefits including the ability to heal yourself and others as well as humanity Mother Earth and all universes return from old age to the health and purity of a baby prolong life Enter the realm of Tao with Master Sha Your life will be transformed The Invisible Shield VernaDean,Vernadean,2007-06 Spiritual warfare can only be confronted and overcome in the spirit realm Its outcome is evident in this world Everyday we are engaged in spiritual warfare whether or not we are aware of this truth To our natural self it appears that we are physically in conflict with each other but this is a deceptive

tactic designed by the ever present rulers of darkness You were sent into this world to fulfill a divine mission Before you were born the Creator had taken care of shielded and protected you from the adversary Although the battle is not yours He wants you to go to the combat zone He will supply you with His whole armor so that you can withstand the weapons that the spiritual enemy will launch against you Your charge is to report for duty This book describes in detail how one person journeyed into the spirit realm and triumphed over spiritual wickedness that held her family captive for generations The Creator sent her into this world to deliver them She learned at an early age that her sleep was more than mere sleep but in actuality her sleep was a corridor by which she traveled between this world and the spirit realm Her first hand experience will encourage you to never give up your fight to fulfill your divine purpose in this world God has ordained you to carry out a specific assignment Your trials and tribulations are designed to shape make mold and groom you for victory in spiritual warfare You are never alone He is always with you Signs of the Times, and Doctrinal Advocate and Monitor ,1901
