The Day Jesus Returns:

The Day Jesus Returns Robert D. Prescott-Ezickson,2009-06 Is the Great Tribulation in the future Is the teaching on the rapture scripturally sound How can someone like the antichrist arise What will the Millennium be like Does America have a role in the endtime scenario No this book is not about setting a date for the return of Jesus It is a study of biblical prophecies on these subjects and how they fit together to form a message about Godas plan for the endtimes The premise of this study is that the various prophecies in the Old and New Testaments concerning the endtimes are similar to the pieces of a jigsaw puzzle The book of Revelation is the picture on the box to guide our study Using this method we see some interesting conclusions that challenge the current thinking which is popular in the Christian Church today Open up and learn more about the day Jesus returns

The Coming of the Son of Man Jeffrey Horton,2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn t it be great if you could open the door invite Jesus into your home and ask Him when He s coming back All the confusion about the events surrounding Christ s return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That s exactly what this series does by unfolding in an easy to follow manner what God s Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ s return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us clustered and even fearful That s not God s will It s time to let the Word speak for itself with a message of comfort hope and victory The Coming of the Son of Man brings you to your final destination literally It shows you what Jesus taught His disciples about the end of this age the rapture and the sign when all these things will be fulfilled The journey will expose the misidentifcation of key terms that distorted the Church s understanding of Christ s return Along the way Jesus s teaching known as the Olivet Discourse as well as the book of Revelation will become clear No more confusion No more questioning how to prepare Simply the truth of God s plans and purposes

When Will Jesus Return For His People Don Nicely,2024-02-09 When Will Jesus Return For His People Book 2 When is Jesus actually coming back Jesus warned his followers stay awake for you do not know on what day your Lord is coming So is Jesus coming back soon That is the question that Author Don Nicely answers in this amazing revealing book It s been said that it s been a while since such a simply written book comes out on such a complicated subject Jesus will come back soon However no one knows the exact time when Jesus is coming again Mark 13 32 says But about that day or hour no one knows not even the angels in heaven nor the Son but only the Father Interestingly though the disciples asked Jesus the very same question just before He returned to heaven on that monumental day At that time Jesus told them it was not for them to know the times or seasons which are in the Father s authority Therefore knowing that Jesus may come back

tomorrow next month next year or 100 years from now So what does this mean for you and me Always be ready for the second coming of Jesus Christ Watch and focus on Jesus because the devil is seeking to distract mankind from understanding the signs and closeness of Jesus coming There are several questions that we must ask Why is Jesus taking so long to come back How should we live while we wait Author Don Nicely answers these questions and so many more in this amazing book When Will Jesus Return For His People Christians should be on guard watching and praying until the day of the Lord The Bible says in Luke 21 34 36 But take heed to yourselves lest your hearts be weighed down with carousing drunkenness and cares of this life and that Day come on you unexpectedly For it will come as a snare on all those who dwell on the face of the whole earth Watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the Son of Man Will the angels come back with Jesus What happens to the righteous at the second coming Are the wicked destroyed by Christ s coming When will we get immortal bodies Why is Jesus coming back Jesus more than anything wants to spend time with you He invites you to return to heaven with Him to enjoy an eternity with no more tears pain or suffering The difficulty in believing Jesus is coming back soon is that 2 000 years have passed since he said he was coming soon and we are still waiting If that is soon it doesn t feel like it This forces us to come to grips with the word soon We tend to think of soon with immediacy Clearly soon to Jesus is different from soon to us The fact that Jesus is coming soon does not mean he is coming tomorrow but he could Jesus coming soon could mean he will return within the next few days the next few years the next few decades or possibly the next few centuries We must deal with the question of him coming soon and be prepared for those who get tired of hearing it This book will guide you in the truths of the word of God that will help you understand the end times and the return of Jesus Get a copy today **What to Do Till Jesus Comes**

MIMPRISS, 1870 *Calculating Jesus' Return (Using the 5987 Calculation and Timelines of the Final 7 Years)* Julian King, 2018-10-05. See note at end about Kindle. I know the Bible says that only God knows the day and hour of Jesus' return. But that doesn't necessarily mean that He won't allow us to at least have some idea of when Jesus is going to return. Indeed the Bible enables us to make a calculation of how old Mankind is. Mine is called The 5987 Calculation because it calculates that 2018 is 5987 years after Adam was created. Then by linking it to a Bible-based theory which predicts that the Millennium may begin in the year 6000 it enables us to predict that Jesus may have returned to earth by the end of 2031 to defeat the forces of evil in the Battle of Armageddon and begin His 1000 year Millennial reign. And then even better than that once we are within 7 years of the Millennium beginning I think the book's Bible-based Timelines of the Final 7 Years will enable us to predict hopefully to within 15 days the actual day that the Battle will take place and the Millennium begin which as I explain may not necessarily be the day that Jesus returns. He may have returned

before then Please note that the Timelines are relevant for whenever the Millennium happens to begin and not just if it happens to begin in 2031 And in addition to taking you through The 5987 Calculation and the Millennium 6000 Theory linking them to predict Jesus return and explaining the placement of the 7 Timelines 3 from the Book of Revelations and 4 from Daniel and how I think those Timelines will enable us to make that prediction of the actual day that Jesus will begin His Millennial reign the book also looks at the consequent re dating of events in the BC period the timing of The Rapture the dating of events in Jesus life a comparison of the 5987 Calculation to the Jewish 5779 Calculation and offers interpretations of Daniel s 70 Weeks Prophecy and Ezekiel s 390 Year and 40 Year Prophecies Note concerning which version to buy The book contains around 45 diagrams And unfortunately whilst the text in those diagrams is readable on tablet and e kindle it is too small to read on a mobile phone Also some of the diagrams in kindle are not as detailed as those in the book version And neither is the cross referencing as precise [The Return](#) Mike Evans,1989 A warning and a trumpet call The Return reveals how prophets from Moses to Jesus have predicted today s most devastating events and the world s ultimate transformation Fascinating and exciting reading C C Carlson co author of The Late Great Planet Earth [MEMOIR AND REMAINS](#)
