THE DAY KASPAROV QUIT

*It's wonderful, engaging book. But, the one I remember gets the big prize is not to watch as the world goes down. I'm not a fan of the book. I'm not a fan of the book.

The Day Kasparov Quit And Other Chess Interviews:

The Day Kasparov Quit Dirk Jan ten Geuzendam, 2014-02-01 What goes on in some of the sharpest minds on earth Dirk Jan ten Geuzendam has collected a new series of intimate portraits of the top grandmasters of chess winning the confidence of Garry Kasparov Miguel Najdorf Vishy Anand Judit Polgar David Bronstein Hikaru Nakamura and many others Anyone attracted by the mystique of the royal game will love the behind the scenes stories about the masters struggle to win their fear of losing and the striking difference between the European and the American chess scene **The Day Kasparov Quit** Dirk Jan ten Geuzendam, 2005 Endgame Frank Brady, 2012-01-17 NEW YORK TIMES BESTSELLER Who was Bobby Fischer In this nuanced perspective of the chess genius Los Angeles Times an acclaimed biographer chronicles his meteoric rise and confounding fall with an afterword containing newly discovered details about Fischer s life Possessing an IQ of 181 and remarkable powers of concentration Bobby Fischer memorized hundreds of chess books in several languages and he was only thirteen when he became the youngest chess master in U S history But his strange behavior started early In 1972 at the historic Cold War showdown in Reykjavik Iceland where he faced Soviet champion Boris Spassky Fischer made headlines with hundreds of petty demands that nearly ended the competition It was merely a prelude to what was to come Arriving back in the United States to a hero s welcome Bobby was mobbed wherever he went a figure as exotic and improbable as any American pop culture had yet produced Commercial sponsorship offers poured in ultimately topping 10 million but Bobby demurred Instead he began tithing his limited money to an apocalyptic religion and devouring anti Semitic literature Bobby reemerged in 1992 to play Spassky in a multi million dollar rematch but when the dust settled he was a wanted man transformed into an international fugitive because of his decision to play in Montenegro despite U S sanctions Fearing for his life traveling with bodyguards Bobby lived the life of a celebrity fugitive one drawn increasingly to the bizarre Drawing from Fischer family archives recently released FBI files and Bobby s own emails Endgame is unique in that it limns Bobby Fischer s entire life an odyssey that took the chess champion from an impoverished childhood to the covers of Time Life and Newsweek to recognition as the most famous man in the world to notorious recluse Chess Life ,2007 *Counterplay* Prof. Robert R. Desjarlais, 2011-03-22 Chess gets a hold of some people like a virus or a drug writes Robert Desjarlais in this absorbing book Drawing on his lifelong fascination with the game Desjarlais guides readers into the world of twenty first century chess to help us understand its unique pleasures and challenges and to advance a new anthropology of passion Immersing us directly in chess s intricate culture he interweaves small dramas closely observed details illuminating insights colorful anecdotes and unforgettable biographical sketches to elucidate the game and to reveal what goes on in the minds of experienced players when they face off over the board Counterplay offers a compelling take on the intrigues of chess and shows how themes of play beauty competition addiction fanciful cognition and intersubjective engagement shape the lives of those who take up this most captivating of games **Players and Pawns** Gary Alan Fine, 2015-08-06 A chess match seems

about as solitary an endeavor as there is in sports two minds on their own in fierce opposition But is this the case Inevitably these two minds are in dialogue and perhaps might be better understood as partners in play And surrounding that one on one contest is a community life that can be as dramatic and intense as the across the board confrontation Gary Alan Fine has spent years immersed in several communities of amateur and professional chess players children and adults and in Players and Pawns he takes readers deep inside these worlds revealing a complex brilliant feisty world of commitment and conflict Opening with a close look at a routine yet financially troubled tournament in Atlantic City Fine carries us from planning and setup through the climactic final day s match ups between the weekend s top players introducing us along the way to countless players and their relationships to the game At tournaments like that one as well as in locales as diverse as collegiate matches and cash games in Manhattan s Washington Square Park players find themselves part of what Fine terms a soft community an open welcoming space built on their shared commitment to the game Within that community chess players find both support and challenges all amid a shared interest in and love of the long standing traditions of the game traditions that help chess players build a communal identity **Chess** ,1991 **The New York Times Index** ,2005

The Guardian Index ,1993 The Wall Street Journal ,1995 The Economist ,1983 **The Times Index** ,2005 Indexes the Times and its supplements The Christian Science Monitor Index ,1988 The Spectator ,1986-04 A weekly review of politics literature theology and art Link ,1990 **JPRS Report** ,1991 **World Affairs Report** California Institute of International Studies,1989 The Current Digest of the Post-Soviet Press ,2005-08 **The Middle East, Abstracts and Index** ,2007 **Finding Bobby Fischer** Dirk Jan ten Geuzendam,2015-09-01 Bobby Fischer gets up tall overweight and slightly clumsy He tries to fulfil the duties of the host and shakes hands but his nervously darting eyes betray his unease with the situation This is not a man accustomed to receiving visitors Dirk Jan ten Geuzendam s gripping encounter with the legendary American recluse a journalist s dream come true is the worthy apotheosis of this unique collection of interviews which were first published in New In Chess between 1986 and 1992 Why did Kasparov think Fischer was an alien How many stamps does Karpov have Was it really Caruso who appeared in Smyslov s dream to teach him how to sing Brimming with anecdotes and revealing insights these interviews bring together chess champions of past and present Meet legends like Botvinnik Gligoric Portisch and Spassky or modern stars like Anand Kramnik and Judit Polgar Different as they are they all seem to ask Ten Geuzendam the favourite question of the inimitable Miguel Najdorf Do you want to hear a beautiful story A classic collection finally available again
