The Depths Of Russia Oil Power And Culture After Socialism

Veli-Pekka Tynkkynen

The Depths Of Russia Oil Power And Culture After Socialism:

The Depths of Russia Douglas Rogers, 2015-11-23 Russia is among the world's leading oil producers sitting atop the planet's eighth largest reserves. Like other oil-producing nations, it has been profoundly transformed by the oil industry. In *The Depths of Russia*, Douglas Rogers offers a nuanced and multifaceted analysis of oil's place in Soviet and Russian life based on ethnographic fieldwork and archival research in the Perm region of the Urals. Moving beyond models of oil calibrated to capitalist centers and postcolonial petrostates, Rogers traces the distinctive contours of the socialist and then postsocialist oil complex, showing how oil has figured in the making and remaking of space and time, state and corporation, exchange and money, and past and present. He pays special attention to the material properties and transformations of oil from depth in subsoil deposits to toxicity in refining and to the ways oil has echoed through a range of cultural registers. *The Depths of Russia* challenges the common focus on high politics and Kremlin intrigue by considering the role of oil in barter exchanges and surrogate currencies, industry-sponsored social and cultural development initiatives, and the city of Perm's campaign to become a European Capital of Culture. Rogers also situates Soviet and post-Soviet oil in global contexts, showing that many of the forms of state and corporate power that emerged in Russia after socialism are not outliers but very much part of a global family of state-corporate alliances gathered at the intersection of corporate social responsibility, cultural sponsorship, and the energy and extractive industries.

Fuel and Power Jeronim Perović, 2024-06-27 A very timely study of Russia's emergence as a global energy power from the Russian Revolution to the present day. It reveals how Russian exports shaped global energy flows as well as how international trade impacted the fabric of the country's foreign relations and ultimately the course of Russian history.

Energy Culture Jillian Porter, Maya Vinokour, 2023-04-06 This volume investigates energy as a shaping force in Russian and Soviet literature, visual culture, and social practice. Chronologically arranged, chapters explain how nineteenth-century ideas about energy informed realist novels and paintings; how the poetics of energy defined pre-Revolutionary and Stalinist utopianism; and how fossil fuels, electricity, and nuclear fission generated distinct aesthetic features in Imperial Russian, Soviet, and post-Soviet literature, cinema, and landscape. The volume's concentration on Russia responds to a clear need to understand the role the country plays in social, political, and economic processes endangering life on Earth today. The cultural dimension of Russia's efforts at energy dominance deserves increased scholarly attention, not only in its own right but also because it directly affects global energy policy. As the contributors to this volume argue, the nationally inflected cultural myths that underlie human engagements with energy have been highly consequential in the Anthropocene, shortlisted for AATSEEL's Best Edited Multi-Author Scholarly Volume for 2023.

Heritage Statecraft and Corporate Power Gertjan Plets, 2023-12-13 *Heritage Statecraft and Corporate Power* examines the politicization of heritage and heritage conflicts in Siberia. In so doing, it challenges the idea that heritage is created by the state and instead argues that heritage creates the state. Building upon extensive ethnographic fieldwork undertaken in south-central Eurasia, this book

provides an analysis of the sociopolitical enmeshment of archaeology and heritage in Russia's resource colony Siberia. Although many examples from across Siberia are discussed, the core study region for the book is the Altai Republic, which is located where Russia, Mongolia, Kazakhstan, and China intersect. Taking a heritage statecraft approach, Plets argues that heritage is a particularly important political instrument in this region. The book considers how different social groups, including indigenous communities, Russian settlers, displaced groups, national and international archaeologists, political parties, and energy companies, translate archaeological data into culturally distinct heritages. Plets encourages scrutiny of the different players that mobilize heritage to instill norms and ideas and the ways in which new regulations or institutions are ultimately implemented. *Heritage Statecraft and Corporate Power* contributes to key debates around the politics of archaeology, resource development, and cultural heritage. It will be essential reading for academics and students engaged in the study of heritage, archaeology, and memory.

The International Political Economy of Oil and Gas Slawomir Raszewski, 2017-11-15. This book addresses energy research from four distinct International Political Economy perspectives: energy security, governance, legal, and developmental areas. Energy is too important to be neglected by political scientists. Yet within the mainstream of the discipline, energy research still remains a peripheral area of academic enquiry seeking to plug into the discipline's theoretical debates. The purpose of this book is to assess how existing perspectives fit with our understanding of social science energy research by focusing on the oil and gas dimension.

Shock Therapy Tomas Matza, 2018-06-01. After the collapse of the Soviet Union, Russia witnessed a dramatic increase in psychotherapeutic options, which promoted social connection while advancing new forms of capitalist subjectivity amid often wrenching social and economic transformations. In *Shock Therapy*, Tomas Matza provides an ethnography of post-Soviet Saint Petersburg, following psychotherapists, psychologists, and their clients as they navigate the challenges of post-Soviet life. Juxtaposing personal growth and success seminars for elites with crisis counseling and remedial interventions for those on public assistance, Matza shows how profound inequalities are emerging in contemporary Russia in increasingly intimate ways as matters of selfhood. Extending anthropologies of neoliberalism and care in new directions, Matza offers a profound meditation on the interplay between ethics, therapy, and biopolitics, as well as a sensitive portrait of everyday caring practices in the face of the confounding promise of postsocialist democracy.

Oil in Putin's Russia Adnan Vatansever, 2021-02-26. Providing an in-depth review of Russia's key economic policies, this book is the first systematic study of the political economy of oil windfalls in Putin's Russia.

[The Energy of Russia](#) Veli-Pekka Tynkkynen, 2019-12-27. This timely book analyses the status of hydrocarbon energy in Russia as both a saleable commodity and as a source of societal and political power. Through empirical studies in domestic and foreign policy contexts, Veli-Pekka Tynkkynen explores the development of a hydrocarbon culture in Russia and the impact this has on its politics, identity, and approach to climate change and renewable energy.

The Russian State and Russian Energy Companies, 1992-2018 Ingerid M. Opdahl, 2020-06-09. The Russian State and Russian Energy

Companies analyses the development of relations between the state and five major energy companies and how this shaped Russia's foreign policy in the post Soviet region The book argues that the development of Russia's political economy mattered for foreign policy over the quarter of a century from 1992 to 2018 Energy companies roles in institutional development enabled them to influence foreign policy formation and they became available as tools to implement foreign policy The extent to which it happened for each company varied with their accessibility to the Russian state Institutional development increased state capacity in a way that strengthened Russia's political regime The book shows how the combined power of several companies in the gas oil electricity and nuclear energy industry was a key feature of Russian foreign policy both in bilateral relationships and in support of Russia's regional position In this way Russia's energy resources were converted to regional influence The book contributes to our understanding of Russia's political economy and its influence on foreign policy and of the formation of policy towards post Soviet states **The Old Faith and the Russian Land** Douglas

Rogers,2016-02-04 The Old Faith and the Russian Land is a historical ethnography that charts the ebbs and flows of ethical practice in a small Russian town over three centuries The town of Sepych was settled in the late seventeenth century by religious dissenters who fled to the forests of the Urals to escape a world they believed to be in the clutches of the Antichrist Factions of Old Believers as these dissenters later came to be known have maintained a presence in the town ever since The townspeople of Sepych have also been serfs free peasants collective farmers and now shareholders in a post Soviet cooperative Douglas Rogers traces connections between the town and some of the major transformations of Russian history showing how townspeople have responded to a long series of attempts to change them and their communities tsarist era efforts to regulate family life and stamp out Old Belief on the Stroganov estates Soviet collectivization drives and antireligious campaigns and the marketization religious revival and ongoing political transformations of post Soviet times Drawing on long term ethnographic fieldwork and extensive archival and manuscript sources Rogers argues that religious political and economic practice are overlapping arenas in which the people of Sepych have striven to be ethical in relation to labor and money food and drink prayers and rituals religious books and manuscripts and the surrounding material landscape He tracks the ways in which ethical sensibilities about work and prayer hierarchy and inequality gender and generation have shifted and recombined over time Rogers concludes that certain expectations about how to be an ethical person have continued to orient townspeople in Sepych over the course of nearly three centuries for specific identifiable and often unexpected reasons Throughout he demonstrates what a historical and ethnographic study of ethics might look like and uses this approach to ask new questions of Russian Soviet and post Soviet history *The Old Faith and the Russian Land* Douglas Rogers,2024-03-05 ENG The Old Faith and the Russian Land is a historical ethnography that charts the ebbs and flows of ethical practice in a small Russian town over three centuries The town of Sepych was settled in the late seventeenth century by religious dissenters who fled to the forests of the Urals to escape a world they believed to be in the clutches of the

Antichrist Factions of Old Believers as these dissenters later came to be known have maintained a presence in the town ever since The townspeople of Sepych have also been serfs free peasants collective farmers and now shareholders in a post Soviet cooperative Douglas Rogers traces connections between the town and some of the major transformations of Russian history showing how townspeople have responded to a long series of attempts to change them and their communities tsarist era efforts to regulate family life and stamp out Old Belief on the Stroganov estates Soviet collectivization drives and antireligious campaigns and the marketization religious revival and ongoing political transformations of post Soviet times

RUS XVII **Choice**, 2001 **Culture and Life**, 1972 **Current Soviet Policies** Leo Gruliow, 1957 **The Saturday Evening Post**, 1932 The Current Digest of the Soviet Press, 1963 Alternative Press Index, 2001 **A Supplement to the Oxford English Dictionary** R. W. Burchfield, 1972 These volumes replace the 1933 Supplement to the OED The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary that is between 1884 when the first fascicle of the letter A was published and 1928 when the final section of the Dictionary appeared together with accessions to the English language in Britain and abroad from 1928 to the present day Nearly all the material in the 1933 Supplement has been retained here though in revised form Preface **Wheel of Fortune** Thane Gustafson, 2012-11-06 One of the world s largest exporters of oil faces mounting problems that could send shock waves through every major economy Gustafson provides an authoritative account of the Russian oil industry from the last years of communism to its uncertain future The stakes extend beyond global energy security to include the threat of a destabilized Russia **Russian Culture under Putin** Eliot Borenstein, 2024-11-14 This timely text charts the metamorphosis of Russian media and culture in the 21st century It considers how when Vladimir Putin came to power in 2000 Russia s media and culture industry had enjoyed nearly a decade of almost unrestricted freedom and yet by the time he launched his illegal invasion of Ukraine in 2022 Russia s independent media was crushed while the few viable opposition figures were either imprisoned exiled or dead under mysterious circumstances Eliot Borenstein looks at the manufactured cult of Putin the competing models of Russianness put forth in the media the obsession with nostalgia and the limits on imagining the future the rise of aggressive patriotism and the myth of ancient Russian traditional values the significance of the fight against gay propaganda and the absurdist strategies used by the opposition in the face of increasing restrictions on free speech Though the book s title invokes Putin Russian Culture under Putin does not cast the Russian leader as an all knowing genius pursuing a master plan The culture of the past twenty years both official and independent has been largely improvisational 21st century Russia as Borenstein demonstrates so masterfully has not been frog marched into unfreedom but has in fact lurched back and forth on a dimly lit path

The Enigmatic Realm of **The Depths Of Russia Oil Power And Culture After Socialism**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Depths Of Russia Oil Power And Culture After Socialism** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.

The Depths Of Russia Oil Power And Culture After Socialism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Depths Of Russia Oil Power And Culture After Socialism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Depths Of Russia Oil Power And Culture After Socialism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Depths Of Russia Oil Power And Culture After Socialism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Depths Of Russia Oil Power And Culture After Socialism Books

What is a The Depths Of Russia Oil Power And Culture After Socialism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Depths Of Russia Oil Power And Culture After Socialism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Depths Of Russia Oil Power And Culture After Socialism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Depths Of Russia Oil Power And Culture After Socialism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a**

The Depths Of Russia Oil Power And Culture After Socialism PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
