Being Truly Human Mark Mah, 2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life s struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves
