The Devil And Daniel Webster And Other Tales Of American History:

The Devil and Daniel Webster, and Other Tales of American History Stephen Benet, 2014-10-18 Pulitzer Prize winning author Stephen Vincent Benet was one of America's greatest storytellers most famous for his witty and moving tribute to American history *The Devil and Daniel Webster* where a trial for a man's soul becomes a trial of America itself of all that is best and worst in a great and tumultuous new country In addition this collection includes six more of Benet's best short stories which in a similar vein depict compelling and diverse elements in America's great social tapestry with memorable and often amusing characters a man whose toothache leads him to encounter Paul Revere on the eve of the American Revolution a Jewish immigrant who discovers a new experience of life as a trader on the American frontier a woman brought from Africa as a slave who teaches her grandson the price of freedom an old confederate colonel hateful and unwilling to accept the loss of his old world and an adventurous young man who discovers the folly in all walks of human life The stories included are *The Devil and Daniel Webster* *Jacob and the Indians* *A Tooth for Paul Revere* *Freedom's a Hard Bought Thing* *O'Halloran's Luck* *The Die Hard* *Johnny Pye and the Fool Killer*

The Gothic Literature and History of New England Faye Ringel, 2022-02-01 *The Gothic Literature and History of New England* surveys the history nature and future of the Gothic mode in the region from the witch trials through the Black Lives Matter Movement Texts include Cotton Mather and other Puritan divines who collected folklore of the supernatural the Frontier Gothic of Indian captivity narratives the canonical authors of the American Renaissance such as Melville and Hawthorne the women's ghost story tradition and the Domestic Gothic from Harriet Beecher Stowe to Charlotte Perkins Gilman to Shirley Jackson H P Lovecraft Stephen King and writers of the current generation who respond to racial and gender issues The work brings to the surface the religious intolerance racism and misogyny inherent in the New England Gothic and how these nightmares continue to haunt literature and popular culture films television and more

The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art

Writings of American Authors I Paul H. Krueger, 1964 *The Nathaniel Hawthorne Review*, 2005 **The Chronology of American Literature** Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance *The Chronology of American Literature* is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors *The Chronology* makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year

while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, The Chronology offers an invaluable line through our literary past, tying literature to the American experience: war and peace, boom and bust, and reaction to social change. You'll find everything here, from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's first memoir, from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome, from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger Jr. Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates, The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

The Devil and Daniel Webster Stephen Vincent Benét, 1967. Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain. Through a versatile array of masterly short stories, Benét explored such subjects as American society, history, politics, and the supernatural. Among the two dozen stories selected for this volume are the haunting title story and the wrenching A Death in the Country. A final section representing Benét's nonfiction collects several of his penetrating essays on writing and education, including Most Unforgettable Character I've Known. Sensitively selected and thoughtfully arranged, this vibrant anthology will reintroduce readers to an American master.

Twentieth-century Romance and Historical Writers Lesley Henderson, D. L. Kirkpatrick, 1990. An encyclopedic biographical survey of the genre. The entry for each writer consists of a biography, a complete list of separately published books, and a signal critical essay. In addition, living entrants were invited to comment on their work. Series characters and locales have been indicated. Also included are notations of available bibliographies, manuscript collections, and critical studies. Acidic paper. The Devil And Daniel Webster And Other Tales Of American History Introduction

In today's digital age, the availability of *The Devil And Daniel Webster And Other Tales Of American History* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *The Devil And Daniel Webster And Other Tales Of American History* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *The Devil And Daniel Webster And Other Tales Of American History* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *The Devil And Daniel Webster And Other Tales Of American History* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *The Devil And Daniel Webster And Other Tales Of American History* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *The Devil And Daniel Webster And Other Tales Of American History* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *The Devil And Daniel Webster And Other Tales Of American History* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Devil And Daniel Webster And Other Tales Of American History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
