life and death for whomever the court found guilty could hang The Wager is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers Grann s recreation of the hidden world on a British warship rivals the work of Patrick O Brian his portrayal of the castaways desperate straits stands up to the classics of survival writing such as The Endurance and his account of the court martial has the savvy of a Scott Turow thriller As always with Grann s work the incredible twists of the narrative hold the reader spellbound
