## **The Devil In The White City:**

*The Devil in the White City* Erik Larson, 2004-02-10 1 NATIONAL BESTSELLER NATIONAL BOOK AWARD FINALIST  
From the 1 New York Times bestselling author of *The Splendid and the Vile* comes the true tale of the 1893 World's Fair in Chicago and the cunning serial killer who used the magic and majesty of the fair to lure his victims to their death. As absorbing a piece of popular history as one will ever hope to find. *San Francisco Chronicle* A Kirkus Reviews Best Nonfiction Book of the Century A Los Angeles Times Best Nonfiction Book of the Last 30 Years Combining meticulous research with nail biting storytelling Erik Larson has crafted a narrative with all the wonder of newly discovered history and the thrills of the best fiction. Two men each handsome and unusually adept at his chosen work embodied an element of the great dynamic that characterized America's rush toward the twentieth century. The architect was Daniel Hudson Burnham the fair's brilliant director of works and the builder of many of the country's most important structures including the Flatiron Building in New York and Union Station in Washington D.C. The murderer was Henry H. Holmes a young doctor who in a malign parody of the White City built his World's Fair Hotel just west of the fairgrounds a torture palace complete with dissection table gas chamber and 3 000 degree crematorium. Burnham overcame tremendous obstacles and tragedies as he organized the talents of Frederick Law Olmsted Charles McKim Louis Sullivan and others to transform swampy Jackson Park into the White City while Holmes used the attraction of the great fair and his own satanic charms to lure scores of young women to their deaths. What makes the story all the more chilling is that Holmes really lived walking the grounds of that dream city by the lake. *The Devil in the White City* draws the reader into the enchantment of the Gilded Age made all the more appealing by a supporting cast of real life characters including Buffalo Bill Theodore Dreiser Susan B. Anthony Thomas Edison Archduke Francis Ferdinand and others. Erik Larson's gifts as a storyteller are magnificently displayed in this rich narrative of the master builder the killer and the great fair that obsessed them both.

**The Devil in the White City** Erik Larson, 2003 The story of two men's obsessions with the Chicago World's Fair one its architect the other a murderer *The Devil in the White City* draws the reader into a time of magic and majesty made all the more appealing by a supporting cast of real life characters including Buffalo Bill Theodore Dreiser Susan B. Anthony Thomas Edison Archduke Francis Ferdinand and others.

**The Devil in the White City** Erik Larson, 2003 An account of the Chicago World's Fair of 1893 relates the stories of two men who shaped the history of the event architect Daniel H. Burnham who coordinated its construction and serial killer Herman Mudgett.

Inside this companion Summary of the book: Important People; Character Analysis; Analysis of the Themes and Author's Style. [H. H. Holmes](#) Adam Selzer, 2019-04-02. America's first and most notorious serial killer and his diabolical killing spree during the 1893 World's Fair in Chicago, now updated with a new afterword discussing Holmes' exhumation on American Ripper. H. H. Holmes: The True History of the White City Devil is the first truly comprehensive book examining the life and career of a murderer who has become one of America's great supervillains. It reveals not only the true story but how the legend evolved, taking advantage of hundreds of primary sources that have never been examined before, including legal documents, letters, articles, and records that have been buried in archives for more than a century. Though Holmes has become just as famous now as he was in 1895, a deep analysis of contemporary materials makes very clear how much of the story as we know came from reporters who were nowhere near the action, a dangerously unqualified new police chief, and not least, lies invented by Holmes himself. Selzer has unearthed tons of stunning new data about Holmes, weaving together the turn of the century America, the killer's background, and the wild cast of characters who circulated in and about the famous castle building. This book will be the first truly accurate account of what really happened in Holmes's castle of horror and now includes an afterword detailing the author's participation in Holmes' exhumation on the TV series American Ripper. Exhaustively researched and painstakingly brought to life, H. H. Holmes will be an invaluable companion to the upcoming Martin Scorsese and Leonardo DiCaprio movie about Holmes's murder spree based on Erik Larson's The Devil in the White City. **Ác quỷ giữa thành phố Trắng** Erik Larson, 2023.
