Blum, 2021-02-04 The book is a study of the evolving history of knowledge in the arts and sciences in the modern era from 1648 through the present Modernism is treated as an epoch with evolving disciplines whose articulated problems of a time and the inquiry methods to address them develop in a coordinated manner given a mutual awareness When one organizes the development of knowledge over periods of years and gives it an appellation such as Modernism the organization of facts is guided by concepts and values discerned throughout these periods These facts of knowledge development share sufficient understandings to be called an era or an epoch or other terms that insist on the shared aspects of those years One can call such an effort a metahistory in that what is tracked is not merely a knowledge that is political economic ideological sociological or scientific but an overview that tracks the respective conceptual developments of the fields in how they have changed and augmented their problem formulations inquiry methods and explanatory conceptions over time      *Feast of Excess* George Cotkin, 2016 *Feast of Excess* is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment      *A Day Like Any Other* Nathan Kernan, 2025-08-05 The long awaited biography of the mercurial troubled brilliant poet James Schuyler the Pulitzer Prize winner who helped shape the New York School of poetry in the 1960s Nathan Kernan's *A Day Like Any Other* The Life of James Schuyler is the definitive biography of the great American poet who along with Frank O Hara Barbara Guest John Ashbery and Kenneth Koch was an original member of the so called New York School of poetry Opening with Schuyler's legendary first public reading in 1988 Kernan goes back to trace the tumultuous arc of the poet's life and work Born in Chicago in 1923 James Schuyler grew up in Washington DC and upstate

New York before moving to New York City in 1944 where he fell into the social orbit of the poet W H Auden After two years in Italy he returned to New York in 1949 and began to publish his first poems There he met fellow poets O Hara Ashbery Guest and Koch For many years he lived outside the city in Southampton Long Island in a close relationship with the painter Fairfield Porter and his family and spent his summers in Maine Schuyler s subsequent years in New York City were marked by poverty and mental illness yet it was during this time that he wrote some of his greatest poems After his move to the Chelsea Hotel in 1979 the poet s circumstances began to turn around and when he died much too soon at sixty seven his life was stable and fulfilled In praise of Schuyler s poetry John Ashbery wrote To reread him is to live as though life were an experience one had just forgotten and been newly awakened to Schuyler s work embodies the quiet beauties of the natural world and the mundane stuff of everyday existence even as his own life was often messy and troubled A Day Like Any Other Kernan s absorbing biographical study explores this and other paradoxes of Schuyler s singular life within the vibrant milieu of mid century New York s poets and painters

*Modern Drama Scholarship and Criticism 1981-1990* Charles A. Carpenter, 1997. A selective list of publications for the period offering some 25,200 entries, no annotations, arranged by nationality and linguistic groups. Most entries concern literary currents in drama since the last third of the 19th century, playwrights who lived at least part of their lives in the 20th century, noted directors and performance theory. For students and scholars of modern dramatic literature. While annual supplements of recent publications appear in the journal *Modern Drama*, new compilers took a publication date of 1991 as their starting point for listings, leaving some 2,000 items collected after 1992 appearing only in this volume. Annotation copyrighted by Book News Inc., Portland, OR. *Current Biography Yearbook*, 2011. *Jewish American Women Writers* Ann R. Shapiro, 1994-09-12. Even among scholars of Jewish literature, Jewish American women writers have been largely neglected. Nevertheless, these women have made an enormous contribution to literature and culture. This reference explores the extraordinary achievement of Jewish American women novelists, poets and playwrights who have written in English. Every effort was made to provide a representative selection of writers and the final list was determined after consultation with specialists and scholars. The volume is composed mainly of entries arranged alphabetically by writer. Many of these women have an indisputable place in the literary canon while others are relative newcomers to the field. Still others are being rediscovered after years of neglect. The profiles provide a biography, bibliography and survey of criticism for each author. Each also provides an analysis of the writer's work by a scholar in Jewish American literature, women's studies or a related field. An introductory essay defines the scope of Jewish American women's literature while a special chapter is devoted to writers of autobiographies who document the experience of Jewish women in America. *Appraising the Catchwords, C.1942-1959* David Wayne Patterson, 1996. **American Jewish History**, 1983. **The publishers weekly**, 1984.
