The Diary of a Young Girl

by Anne Frank

SUMMARY

The *Diary of a Young Girl*, written between 1942 and 1944, is probably the most famous personal diary ever published and one of the most important literary works of the Second World War. It was written by a teenage Jewish girl whose family was forced into hiding in Amsterdam during the German occupation. It is a work which is given extra pathos by the fact that we know something which the author did not know – that her family's hiding place would be discovered and that she would end up being captured and ultimately killed in the Bergen-Belsen concentration camp.

The diary paints a touching and honest account of the feelings and experiences of an ordinary girl growing up in extraordinary circumstances. The everyday concerns of an adolescent girl – family relationships, boyfriends, hopes and dreams for the future – are contrasted with the horrific details of a secret life in hiding under constant fear of discovery. The book has become an important landmark in Jewish literature and history, as well as a powerful weapon against bigotry and racism.

ABOUT ANNE FRANK

Anne Frank was born in Frankfurt-am-Main on 12th June 1929. Her parents were Jewish and she had a sister three years older than herself. In 1933 the family fled from Germany to escape persecution by the Nazis and her father found a position as a manager in a company in Amsterdam. Anne was given a diary for her thirteenth birthday and began writing in it the next day. She had a passion for writing and mentions in her diary that she plans to become a writer or journalist when she grows up. Anne managed to keep her diary going throughout the time her family was in hiding; her last entry was written just before the hiding place was discovered and soldiers arrived to take the members of the family off to concentration camps. After the war was over, her diary was published and became an immediate success. It has remained in print ever since, and the story of Anne's life has been made into a Hollywood film.

Anne was a bright and cheerful girl but she had few real friends, and while her family was in hiding she had almost nobody to talk to. Thus her diary became the 'best friend' that she never had. She confided her deepest secrets and emotions to the pages of her diary, freely describing her romantic feelings about boys, her sometimes sharp

reactions to the people around her, and her fear and hatred of the war. Most readers of the diary come away feeling that they have really grown to know the lonely girl who refused to be silenced by circumstances.

BACKGROUND AND THEMES

The *Diary of a Young Girl* gives a unique insight into the situation in which Jews found themselves during the Second World War. It is an important part of the literature of one of the most shocking episodes in human history – the Holocaust – the extermination of over six million Jews at the hands of the German Nazi party. The Nazis believed that the Jews were an inferior race and they pursued a policy of genocide both in Germany and in the countries they occupied. At first Jews were captured and sent to concentration camps as slave labour but eventually these camps became extermination centres fitted with gas chambers with the deliberate aim of murdering as many Jews as possible. Anne Frank ended up at one of the most notorious of these 'death camps', Bergen-Belsen. There is now a foundation in honour of Anne Frank, and the Amsterdam house she hid in has become a museum where visitors can visit the secret annexe and see an exhibition on her life and the Holocaust in general.

One of the many ironies of Anne Frank's story is that her family had already tried to escape from anti-semitic persecution and were in Amsterdam because they thought it a safe haven. Amsterdam had had a long history of offering refuge to exiled Jews, the city's liberal reputation dating back to the first wave of Jewish refugees who arrived in the 17th century. Unfortunately, the Netherlands was invaded by Germany in May 1940, the Queen and the government fled to safety in England and the Germans set up an occupying administration which imposed harsh anti-Jewish laws. Despite the strict regulations and harsh punishments, many Dutch people took great risks in helping Jews to escape or to hide from the authorities. In fact, Anne and her family were only able to survive for so long because of the bravery of their friends in Amsterdam.

Although Anne was only thirteen when she started writing her diary, she had a mature understanding of the world and of human relationships. She paints a vivid picture of life in hiding but she doesn't see herself as a victim and doesn't dwell on her sufferings. The diary is full

libraries **The Length of a String** Elissa Brent Weissman, 2020-04-07 Imani is adopted and she's ready to search for her birth parents. Anna has left behind her family to escape from Holocaust era Europe to meet a new family. Two journeys, one shared family history and the bonds that make us who we are. Perfect for fans of *The Night Diary*. Imani knows exactly what she wants as her big bat mitzvah gift to find her birth parents. She loves her family and her Jewish community in Baltimore but she has always wondered where she came from, especially since she's black and almost everyone she knows is white. Then her mom's grandmother, Imani's great grandma Anna, passes away and Imani discovers an old journal among her books. It's Anna's diary from 1941, the year she was twelve and fled Nazi-occupied Luxembourg alone, sent by her parents to seek refuge in Brooklyn, New York. Anna's diary records her journey to America and her new life with an adoptive family of her own. And as Imani reads the diary, she begins to see her family and her place in it in a whole new way.

The Walls Around Us Nova Ren Suma, 2014-12-12 SPECIAL PREVIEW Ori's dead because of what happened out behind the theater in the tunnel made out of trees. She's dead because she got sent to that place upstate, locked up with those monsters. And she got sent there because of me. *The Walls Around Us* is a ghostly story of suspense told in two voices, one still living and one long dead. On the outside, there's Violet, an eighteen-year-old dancer, days away from the life of her dreams when something threatens to expose the shocking truth of her achievement. On the inside, within the walls of a girl's juvenile detention center, there's Amber, locked up for so long she can't imagine freedom. Tying these two worlds together is Orianna, who holds the key to unlocking all the girls' darkest mysteries. We hear Amber's story and Violet's and through them, Orianna's, first from one angle, then from another, until gradually we begin to get the whole picture, which is not necessarily the one that either Amber or Violet wants us to see. Nova Ren Suma tells a supernatural tale of guilt and innocence and what happens when one is mistaken for the other. Praise for *Imaginary Girls*: A surreal and dreamy world where magical thinking is carried to a chilling extreme. Publishers Weekly starred review. Praise for *17 Gone*: Suma's exquisite sentence-level writing and fine eye for creepy detail are in abundant evidence.
