**Revolt Against Maturity** R. J. Rushdoony,2020-04-13 Revolt Against Maturity is a study of Biblical psychology Biblical psychology contrasts sharply with a science of the mind based on the religious presuppositions of humanism which regards man as having no constant nature A science of the mind based on humanism views the mind as a clean slate and man's nature as plastic to be molded by men and institutions in the image of man for the new order he will establish The Biblical view sees Psychology as a branch of theology theology is a study of all that the Scriptures declare about God Theology is essential not only to the study of psychology but to ethics anthropology soteriology eschatology etc Biblical Psychology assumes that man is created in the image of God directly and not indirectly through theistic or any other kind of evolution Being created directly by God man is not in the process of defining or determining his ontological qualities Man has already been determined and defined by God Thus it is God who has established the limits and nature of the mind The mind of regenerate man experiences radically different motives and presuppositions from those of unregenerate man The author sees the central task of Christian Psychology as that of discerning the mind and soul differences that exist between the regenerate and unregenerate Pastoral counseling should first seek to establish whether or not a person is truly regenerate and then aid the regenerate to further growth in sanctification Work was to have provided the joy of fulfillment in God's goal of maturity for man but because of the curse man is often subject to the frustration of meaningless and degrading work True work is the exercise of dominion over the creation under God When man's work is separated from dominion of the created world he is often subject to moral and religious paralysis and becomes a sick soul Man suffers similarly when he abstracts God from reality Since God created everything nothing can be interpreted apart from God When man attempts this impossibility he suffers psychologically True knowledge of anything is revelational of God Thus an aspect of man's revolt against maturity and against life is his revolt against knowledge Psychological damage is inevitable for those in revolt against the maturity which the God of all life and all knowledge has purposed for man The certain and true guilt which the human personality suffers because of sin can be alleviated only when God effects regeneration through the atoning blood of Christ Thus having laid aside the old self with its evil practices the new self is being renewed to a true knowledge according to the image of the One who created him in righteousness and holiness of the truth Col 3 10 Eph 4 24 In the general or wider sense the image of God in man means that man like God is a personality The author notes that in the redeemed man this means that man becomes progressively more and more a person self conscious in his growth and character as opposed to

being unconscious of his nature and steadily manifesting more and more the image of God in knowledge righteousness holiness and dominion Sanctification is unto holiness by which man realizes his chief end to glorify God and enjoy Him forever But because of his revolt against maturity man continues to suffer psychological damage both personally and collectively through the chaotic condition of his mind and his culture    **Bitch** ,2005    *A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare* John Bartlett,1889    *Harper's Weekly* John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1868    **The Horn Book Guide to Children's and Young Adult Books** ,2008    Athenaeum ,1874    **Youth's Companion** ,1913    **A Complete Concordance Or Verbal Index to Works, Phrases and Passages in the Dramatic Works of Shakespeare** John Bartlett,1894    *The Saturday Review of Politics, Literature, Science and Art* ,1919    "The" **Athenaeum** ,1884    *Messenger and Visitor* ,1913    **The Youth's Companion** Nathaniel Willis,Daniel Sharp Ford,1879 Includes music
