WHAT we give to life we may have in return We may have happiness if we give happiness to others We may have sorrow if we extend sorrow to those about us Right living goes with right thinking The spoken word is the outward manifestation of the power of thought As every act is preceded by thought it follows that thought is real and that if it is right evil cannot follow This little book has been planned as a help and guide for those who would have a method of living from which they may draw the maximum of happiness and interest If it brings a tithe of that result to those who read the author's work will have been richly rewarded
