The Donald For President Holy Sht:

Trump and the Holy Land: 2016-2020 Neville Teller, 2020-07-21 I would love to be the one who made peace with Israel and the Palestinians said Donald J Trump as he assumed the presidency of the United States of America on Friday 20 January 2017 That would be such a great achievement Trump and the Holy Land 2016 2020 is the history of that effort

Unmaking the Presidency Susan Hennessey, Benjamin Wittes, 2020-01-21 In American presidential history this is perhaps the most penetrating book to have been written about Trump in office Times Literary Supplement The extraordinary authority of the US presidency has no parallel in the democratic world Today that authority resides in the hands of one man Donald J Trump But rarely if ever has the nature of a president clashed more profoundly with the nature of the office Unmaking the Presidency tells the story of the confrontation between a person and the institution he almost wholly embodies From the moment of his inauguration Trump has challenged our deepest expectations of the presidency But what are those expectations where did they come from and how great is the damage As editors of the invaluable New York Times Lawfare website Susan Hennessey and Benjamin Wittes have attracted a large audience to their hard hitting and highly informed commentary on the controversies surrounding the Trump administration In this book they situate Trump era scandals and outrages in the deeper context of the presidency itself How should we understand the oath of office when it is taken by a man who may not know what it means to preserve protect and defend something other than himself What aspects of Trump are radically different from past presidents and what aspects have historical antecedents When has he simply built on his predecessors misdeeds and when has he invented categories of misrule entirely his own By setting Trump in the light of history Hennessey and Wittes provide a crucial and durable account of a presidency like no other **The Divider** Peter Baker, Susan Glasser, 2023-09-19 NEW YORK TIMES BESTSELLER The most comprehensive and detailed account of the Trump presidency yet published The Washington Post A Best Book of the Year The New Yorker and Financial Times The book everyone is talking about Politico The inside story of the four years when Donald Trump went to war with Washington from the chaotic beginning to the violent finale told by revered journalists Peter Baker of The New York Times and Susan Glasser of The New Yorker an ambitious and lasting history of the full Trump presidency that also contains dozens of exclusive scoops and stories from behind the scenes in the White House from the absurd to the deadly serious A sumptuous feast of astonishing tales The more one reads the more one wishes to read NPR.com A beautifully written utterly dispiriting history of the man who attacked democracy The Guardian The bestselling authors of The Man Who Ran Washington argue that Trump was not just lurching from one controversy to another he was learning to be more like the foreign autocrats he admired The Divider brings us into the Oval Office for countless scenes both tense and comical revealing how close we got to nuclear war with North Korea which cabinet members had a resignation pact whether Trump asked Japan's prime minister to nominate him for a Nobel Prize and much more The book also explores the moral choices confronting those around Trump how they

justified working for a man they considered unfit for office and where they drew their lines The Divider is based on unprecedented access to key players from President Trump himself to cabinet officers military generals close advisers Trump family members congressional leaders foreign officials and others some of whom have never told their story until now

The Holy Name Journal ,1917 **Thank You for Your Servitude** Mark Leibovich,2022-07-12 The 1 New York Times Bestseller He s one of the best chroniclers of politics today Jake Tapper This is a really funny book Kara Swisher His writing is so damn good John Berman Really fascinating There are so many revelations Anderson Cooper The new must read summer book Stephanie Ruhle From the author of the 1 New York Times bestseller This Town the eyewitness account of how the GOP collaborated with Donald Trump to transform Washington s swamp into a gold plated hot tub and a onetime party of rugged individualists into a sycophantic personality cult In the early months of Trump s candidacy the Republican Party s most important figures people such as Marco Rubio Ted Cruz and Lindsey Graham were united and loud in their scorn and contempt Even more in their outrage Trump was a menace and an affront to our democracy Then awkwardly Trump won Thank You for Your Servitude is Mark Leibovich s unflinching account of the moral rout of a major American political party tracking the transformation of Rubio Cruz Graham and their ilk into the administration s chief enablers and the swamp s lesser lights into frantic chasers of the gift What would these politicians do to preserve their place in the sun or at least the orbit of the spray tan What would they do to preserve their relevance Almost anything it turns out Trump s savage bullying of everyone in his circle along with his singular command of his political base created a dangerous culture of submission in the Republican Party Meanwhile many of the most alpha of the lapdogs happily conceded to Mark Leibovich that they were in on the joke As Lindsey Graham told the author his supporters in South Carolina generally don t read The New York Times and they won t read this book either All that cynicism shading into nihilism led to a country truly unhinged from reality and to the events of January 6 2021 It s a vista that makes the Washington of This Town seem like a comedy of manners in comparison Thank You for Your Servitude isn t another view from the Oval Office it s the view from the Trump Hotel We can check out any time we want but only time will tell if we can ever leave **The Latter-Day Saints' Millennial Star** ,1918
