[The Gospel According to Dan Brown](#) Jeff Dunn, Craig Bubeck, 2006 There is a consistent gospel that Dan Brown preaches throughout all of his stories and it profoundly contrasts the Bible's Gospel. You can't have both a choice must be made. Stories are more than entertainment they form our worldview. This book will lift up Brown's gospel against Christianity's biblical Gospel and help fans of Brown's books discern messages that are truly fiction and examine the new world view preached in his novels

**The Scrutiny** Ashish Kumbhare, This book is an investigation of the proofs of God's existence in both science and religion. For centuries now scientists have been trying to find a science surrounding religion. But in this book we will find the science that is coded within religion. This book starts with the Great city of Alexandria and then progresses to Italy finally ending up in Space. On our journey of decoding the science in religion we will encounter many popular legends such as the likes of Leonardo Da Vinci Michelangelo Raphael Newton and then make our final stop at the Modern Einstein Stephen Hawking. The Scrutiny decodes a number of mathematical equations from religious books as well as ancient civilizations. It starts with man and ends up at the great gods. It answers the most prominent questions of all time where do we come from Where are we going. While finding our answers we get to decode the famous Mona Lisa The School of Athens

and find our answers in the codex of God During our journey we will also unmask some famous hoaxes such as that of the legendary William Shakespeare and the famous legend of Fatima The Scrutiny concludes with The Theory of Everything A theory that can satisfactorily explain God with the help of both Science and Religion So buckle up We are all in for one crazy ride

**Black Terror White Soldiers** David Livingstone,2013-06-16 Far too ignorant of the histories of the rest of the world being aware of only the accomplishments of Greece Rome and Europe Westerners have been made to believe that their societies represent the most superior examples of civilization However the Western value system stems from a misconception that as in nature human society too is evolving The idea derives from the hidden influence of secret societies who followed the belief in spiritual evolution of the Kabbalah which taught that history would attain its fulfillment when man would become God and make his own laws Therefore the infamous Illuminati gave its

name to the Enlightenment of the eighteenth century which claimed that human progress must abandon superstition meaning Christianity in favor of reason Thus the Illuminati succeeded in bringing about the French and American revolutions which instituted the separation of Church and State and from that point forward the Western values of Humanism seen to include secularism human rights democracy and capitalism have been celebrated as the culmination of centuries of human intellectual evolution This is the basis of the propaganda which has been used to foster a Clash of Civilizations where the Islamic world is presented as stubbornly adhering to the anachronistic idea of theocracy Where once the spread of Christianity and civilizing the world were used as pretexts for colonization today a new White Man's Burden makes use of human rights and democracy to justify imperial aggression However because after centuries of decline the Islamic world is incapable of mobilizing a defense the Western powers as part of their age old strategy of Divide and Conquer have fostered the rise of Islamic fundamentalism to both serve as agent provocateurs and to malign the image of Islam These sects known to scholars as Revivalists opposed the traditions of classical Islamic scholarship in order to create the opportunity to rewrite the laws of the religion to better serve their sponsors Thus were created the Wahhabi and Salafi sects of Islam from which were derived the Muslim Brotherhood which has been in the service of the West ever since But the story of the development of these Islamic sects involves the bizarre doctrines and hidden networks of occult secret societies being based on a Rosicrucian myth of Egyptian Freemasonry which see the Muslim radicals as inheritors of an ancient mystery tradition of the Middle East which was passed on to the Knights Templar during the Crusades thus forming the foundation of the legends of the Holy Grail These beliefs would not only form the cause for the association of Western intelligence agencies with Islamic fundamentalists but would fundamentally shape much of twentieth century history *Sidney Sheldon's After the Darkness with Bonus Material* Sidney Sheldon, Tilly Bagshawe, 2013-03-12 For a limited time and at a special price discover Sidney Sheldon's *After the Darkness* with Bonus Material Plus receive an excerpt from Sheldon's new book Sidney Sheldon's *The Tides of Memory* available April 9th In Sidney Sheldon's *After the Darkness* the young naive wife of a multi billionaire financial superstar Grace Brookstein's life is the stuff of fantasy In New York Lenny Brookstein is the King of the Wall Street social scene both liked and respected in the worlds of high finance and high society Then one day Lenny vanishes his yacht discovered abandoned far out at sea The police believe his death was no accident that his involvement in a spectacular financial fraud was about to be exposed to the world But Grace can't accept the terrible allegations now coming to light and she will learn the truth even if that truth destroys her *The Other Side of Midnight* Sidney Sheldon, 2010-05-25 The Other Side of Midnight is Sidney Sheldon at his best This page turner is full of tortured romantic entanglements reverses of fortune thrilling suspense and ultimate justice In Paris Washington and a fabulous villa in Greece an innocent American becomes a bewildered horror stricken pawn in a game of vengeance and betrayal She is Catherine Douglas a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star and as Constantin
