1485-1558 (oxford History of England 7). Bib J. D. MACKIE,1962 [The Calais Garrison](#) David Grummitt,2008 Definitive account of the English garrison at Calais the largest contemporary force in Europe in the wider context of European warfare in the middle ages This is the book on the Calais garrison we have been waiting for COLIN RICHMOND For over 200 years following its capture by Edward III in 1347 the town of Calais was in English hands after 1453 it remained the last English possession on the continent a commercial cultural diplomatic and military frontier until its recapture by the French in 1558 This book the first full length study so to do examines the Calais garrison the largest standing military force available to the English crown Based on extensive archival research it covers recruitment and service in the garrison the problems of pay and logistics the weaponry and tactics used and the chivalric and professional ethos among the soldiers It also investigates the effectiveness of English arms against their European counterparts through a detailed study of the failed Burgundian siege of 1436 and the successful French siege of 1558 Overall it reaffirms the importance of Calais to successive

medieval and early modern English kings and challenges the perceived notion that England lagged behind its northwest European rivals in terms of military technology and effectiveness The Calais garrison is placed in the wider context of the development of European warfare in general during this period Dr DAVID GRUMMITT is Lecturer in British History University of Kent *The Oxford History of England* J.
