The Complete Jack The Ripper:

Complete Jack The Ripper Donald Rumbelow, 2016-02-18 Fully updated and revised Donald Rumbelow's classic work is the ultimate examination of the facts, theories, fictions and fascinations surrounding the greatest whodunit in history. The Complete Jack the Ripper lays out all the evidence in the most comprehensive summary ever written about the Ripper. Rumbelow, a former London Metropolitan policeman and an authority on crime, has subjected every theory, including those that have emerged in recent years, to the same deep scrutiny. He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page. More seriously, he also examines the horrifying parallel crimes of the Dillinger Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London.

The Complete and Essential Jack the Ripper Paul Begg, John Bennett, 2013-11-21 Discover the truth behind the myth in *The Complete Jack the Ripper* by Paul Begg and John Bennett. Whitechapel 1888: a spate of brutal murders becomes the most notorious criminal episode in London's history. The killer, chillingly nicknamed The Whitechapel Murderer, Leather Apron, and most famously Jack the Ripper, is never brought to justice for the slaughter and mutilation of at least five women in the slums of East London. But the mystery is deepened by a letter sent from Hell to Scotland Yard accompanied by half of a preserved human kidney. In this comprehensive account of London's most infamous killer, the foremost authorities on the case explore the facts behind the most grisly episode of the Victorian era. Setting the scene in the impoverished East End, the authors' meticulous research offers detailed accounts of the lives of the victims and an examination of the police investigation. *The Complete Jack the Ripper* is the definitive book by Paul Begg and John Bennett, exploring both the myth and reality behind the allusive killer. Paul Begg and John Bennett are researchers and authors widely recognized as authorities on Jack the Ripper. Paul Begg's books include *Jack the Ripper: The Facts*, *Jack the Ripper: The Definitive History*, and he is a co-author of *The Jack the Ripper A to Z*. John Bennett has written numerous articles and lectured frequently on Jack the Ripper and the East End of London. He has acted as adviser to and participated in documentaries made by television channels worldwide and was the co-writer for the successful Channel 5 programme *Jack the Ripper: The Definitive Story*. He is author of *E1: A Journey Through Whitechapel and Spitalfields* and co-author of *Jack the Ripper: CSI Whitechapel*.

The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery Paul Begg & Martin Fido, 2015-03-05 Hugely respected, extensively quoted and widely regarded as the bible of Ripper studies, *The Complete Jack the Ripper A to Z* is the ultimate reference for anyone fascinated by the Jack the Ripper mystery. This new rewritten up-to-date edition includes sources and well over 100 photographs. *The Complete Jack the Ripper A to Z* has an entry for almost every person involved in the case, from suspects and witnesses to policemen and journalists, plus the ordinary people who became caught up in the unfolding drama. Written by three of the world's leading authorities on the case, it takes a completely objective look at theories old and new, describes all the key Ripper books, and gives potted biographies of many

of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel **The Complete Jack the Ripper** Donald Rumbelow,1981 **Jack The Ripper - The Complete Casebook** Donald Rumbelow,1988 **The Ultimate Jack the Ripper Sourcebook** Keith Skinner,Stewart Evans,2013-02-07 Two experienced Ripperologists have applied their joint knowledge and expertise to the painstaking collation of all the known official records to produce the ultimate Ripper book a narrative account of the murders encompassing all the known evidence The most complete work on the Ripper case ever contains the entire contents of the Scotland Yard files covering the full series of murders extensive press reports witness statements and extracts from police notebooks documents missing from the official files and many rare photographs The Ultimate Jack the Ripper Sourcebook is not only an invaluable reference but is also a compelling account of the Victorian serial murderer whose identity remains one of criminology s greatest mysteries *The Complete Jack the Ripper A to Z* Paul Begg,2010 Overview Written by three of the world s leading authorities on the case this book takes a completely objective look at theories old and new describes all the key Ripper books and gives brief biographies of many of the authors It includes an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Whether one is new to the mystery of Jack the Ripper or an experienced Ripperologist this compendium will keep your turning the pages As for the more prominent players caught up in the drama of the Whitechapel murders the research into the lives of the victims has been extraordinary and has unearthed for example a photograph of Annie Chapman thought to be the only surviving nonmortuary photograph of a Ripper victim Also included are photographs of Michael Ostrog and the mad butcher Joseph Isenschmidt and several new photographs of policemen **Jack the Ripper** Paul Begg,2013-10-03 The clearest most accurate and most up to date account of the Ripper murders by one of Britain s greatest and most respected experts on the autumn of terror in Victorian London William D Rubenstein Professor of Modern History University of Wales Aberystwyth England in the 1880s was a society in transition shedding the skin of Victorianism and moving towards a more modern age Promiscuity moral decline prostitution unemployment poverty police inefficiency all these things combined to create a feeling of uncertainty and fear The East End of London became the focus of that fear Here lived the uneducated poverty ridden and morally destitute masses When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole He was fear in a human form an unknown lurker in the shadows who could cross boundaries and kill Jack the Ripper The Definitive History is not yet another attempt to identify the culprit Instead the book sets the murders in their historical context examining in depth what East London was like in 1888 how it came to be that way and how events led to one of the most infamous and grisly episodes of the Victorian era Jack the Ripper Donald Rumbelow,1990 He was the

The Trial of Jack the Ripper Euan Macpherson, 2005 The police investigation uncovered some disturbing details The accused was a small dark haired man who was known to have been violent towards women He had been born and brought up in the Midlands but had moved to the East End of London in the late autumn of 1887 On 21 January 1889 he and his wife travelled by boat to Dundee This meant that he had arrived in London before the start of the Jack the Ripper murders and had left around the same time that they ceased Could this be coincidence people wondered Could it also be a coincidence that the murder in Dundee carried all the hallmarks of a ripper murder In the month before the trial the local newspapers in Dundee began to run sensational stories linking the accused with the notorious Whitechapel murders When the trial opened to a packed courtroom many in the public gallery were wondering if the man standing in the dock was none other than Jack the Ripper himself In this sensational and groundbreaking book Euan Macpherson presents the evidence that the long arm of the law really did catch up with Jack the Ripper in a dingy basement flat in Dundee in the cold winter months of early 1889
