The Concise Roget's International Thesaurus, Revised and Updated, 7th Edition Barbara Ann Kipfer, 2011-05-31

A classic reference book that has been used by millions all over the world Roget's International Thesaurus is the product of more than a century and a half of continual expansion reorganization and improvement Today this book is not only the most time tested and bestselling thesaurus ever but newly revised it is also the most up to date and comprehensive reflection of the English language as it is currently used The revolutionary achievement of Dr Peter Mark Roget's first edition in 1852 was the development of a brand new principle the arrangement of words and phrases according to their meanings Dr Roget's system brings together in one place all the terms associated with a single thought or concept it allows a wide ranging survey of language within a book of relatively modest size without the space consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A to Z entries This brilliant organization makes Roget's International Thesaurus both the most efficient word finder and a cutting edge aid in stimulating thought organizing ideas and writing and speaking more clearly and effectively This revised and updated seventh edition features thousands of new words and phrases including the newest slang words and expressions that color and inform everyday language At the same time it retains all the hallmarks that have made Roget's International Thesaurus the most popular word reference book next to the dictionary

Roget's International Thesaurus, 6th Edition Barbara Ann Kipfer, 2002-07-02 The revolutionary achievement of Dr Peter Mark Roget's first edition in 1852 was the development of a brand new principle the arrangement of words and phrases according to their meanings Dr Roget's system brings together in one place all the terms associated with a single thought or concept it allows a wide ranging survey of language within a book of relatively modest size without the space consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A to Z entries This brilliant organization makes Roget's International Thesaurus both the most efficient word finder and a cutting edge aid in stimulating thought organizing ideas and writing and speaking more clearly and effectively This revised and updated sixth edition features thousands of new words and phrases including the newest slang words and expressions that color and inform everyday language It retains all of the hallmarks that have made Roget's International Thesaurus an enduring classic ore than 330 000 words and phrases organized into 1 075 categories pinpoint reference system that directs the user quickly from a comprehensive index to the numbered category of the right word Thousands of cross references throughout lead to other helpful categories undreds of supplemental word lists that supply the names of things which have no synonyms measurements wines weapons animals state mottoes and more as well as hundreds of quotations that amplify the meanings of selected words Generations of students writers editors and speakers have made Roget's the most popular word reference book next to the dictionary Continuing a legacy that dates back more than 150 years Roget's International Thesaurus is an indispensable work for everyone who wants to use the English language with clarity and precision Catalogue

Montgomery Ward, 1962 Roget's Thesaurus, 6th Edition Barbara Ann Kipfer, 2007-05-29 An abridged edition of the world's bestselling original thesaurus. This completely revised and updated edition contains over 230 000 words, nearly three thousand of which are newly added. The revolutionary achievement of Dr Roget was his development of a brand new principle: the grouping of words according to ideas. If the user cannot find something in a reference book, it is often because of the restriction of searching alphabetically by known headwords. Dr Roget's thesaurus reversed the access to allow the user to find a word from another word, a concept or an idea. This ultimate reference tool, the best-selling thesaurus ever in all its editions, contains over 230 000 words and phrases, nearly 3000 of which are new to this edition, grouped into 1072 numbered categories. Within each category you'll find all the parts of speech, frequent cross references, commonly used words singled out in boldface, and much more. If you're a writer who needs help organising a thought or mastering the nuance of expression, the International Thesaurus remains the first source to turn to. *The Concise Roget's International Thesaurus* Barbara Ann Kipfer, 2006 **Subject Guide to Books in Print**, 1971 **Roget's International Thesaurus, 6e, Thumb Indexed** Barbara Ann Kipfer, Robert L. Chapman, 2001-11 Now updated with 20% new information, this revised thesaurus is a bestselling classic retaining Roget's brilliant category-based organizing system, an innovative ordering of the English language to organize readers' thoughts and stimulate ideas. Includes nearly 3 000 new words. **Concise Roget's International Thesaurus** Roget, 1994 Roget International Thesaurus Index 5E Robert L. Chapman, 1992-08-23 Roget's International Thesaurus fifth edition is the original, now completely expanded, reorganized, revised, and updated, the definitive thesaurus for the 21st century. While retaining Dr Peter Mark Roget's fundamental and brilliant category concept, which groups all synonyms, antonyms, and related words together for quick and easy comparison without all the needless repetition and cross referencing of alphabetical thesauruses, this new fifth edition is the most up-to-date, with 1073 categories, including 31 entirely new ones concerning such topics as the body, fitness, and exercise, substance abuse, all kinds of sports, books, motion pictures, and computer science. Definitive, based on extensive word association research into how words are actually used, resulting in the most current reflection of the language today, and including the latest phrases, slang, and commonly used foreign terms, the most comprehensive thesaurus available, 325 000 words and phrases, an invaluable source book with many additional features: boldface type for the most commonly used words in a category, usage and foreign language labels throughout, and a unique and useful feature of word lists including lists for measurements, gods and goddesses, manias and phobias, groups and movements, state mottos, and more. Time-tested, this definitive updated edition retains the original time-tested format that allows much more depth of information. Roget's International Thesaurus, 8th Edition Barbara Ann Kipfer, 2022-04-26 A newly revised and updated 8th edition of the world's bestselling thesaurus, the only thesaurus based on Peter Roget's original reference classic of 1852. This hardcover thumb-indexed edition includes more than 325 000 words and phrases, more than 2 400 of which are new, in 1 075 categories. Roget's International Thesaurus, 7th Edition Barbara Ann
