The Contemplative Pastor:

The Contemplative Pastor Eugene H. Peterson, 1993 Peterson who has been gaining a growing reputation as a pastor's pastor speaks words of wisdom and refreshment for pastors caught in the busy ness of preaching teaching and running the church Chapters include poetic reflections on the Beatitudes advice on spiritual direction between Sundays and the language of prayer

The Contemplative Pastor Eugene H. Peterson, 1989-01-01 Overlooked essentials of ministry In the busyness of preaching teaching and overseeing church ministries it's easy to let the urgent displace the important The immediate overwhelms the eternal And pastors find themselves running the church but not curing souls This book is a reminder of the essence of ministry It offers fresh thoughts on the important but neglected art of spiritual direction Author Eugene Peterson is the pastor of a 300 member Presbyterian church but he has focused his ministry on the practice of spiritual direction Christianity Today published a major article on Peterson calling him a monk out of habit He has earned a widespread reputation as a thoughtful articulate practitioner of the spiritual disciplines This book provides welcome refreshment for parched pastors Peterson does not heap up guilt for not being more disciplined Instead the book itself is an oasis a source of rejuvenation and recommitment to true ministry Jacket *Eugene Peterson* Brian Lays, 2015 Pastoral Work Jason Byassee, L. Roger Owens, 2014-01-15 Eugene Peterson may be the most influential theological writer in the church today Yet because most of his career has not been in academia there is not much critical engagement with his work Here some of the finest scholar pastors we have describe the way Peterson has inspired and infuriated on the way to hopefully more faithful pastorates Book jacket *Twelve Great Spiritual Writers* Liz Hoare, 2020-01-16 Liz Hoare's list of twelve great spiritual writers includes famous and lesser known women whose writings have touched her heart illuminated her mind and sharpened her spiritual vision Liz believes they can do the same for you which is why she has written this book Each of these great writers novelists poets preachers philosophers and theologians contributes something special to our understanding of the spiritual life today With key extracts from each writer's best loved books and with suggestions for personal reflection or group discussion here is an exceptionally rich resource that you will want to return to time and time again wherever you may be on your journey

Ancient Wisdom for the Care of Souls Coleman M. Ford, Shawn J. Wilhite, 2024-07-09 Recovering the Wisdom of Early Christian Figures to Effectively Shepherd Modern Churches In addition to the regular demands of preaching and shepherding modern pastors feel undue pressure to entertain congregants and increase attendance numbers Often churches resort to the latest business models to keep pace But true life giving guidance lies in Scripture and the wisdom of those having come before us Ancient Wisdom for the Care of Souls helps pastors to embrace a classic biblical vision of ministry through the study of selected pastoral virtues and early church figures Gregory of Nyssa and Gregory the Great both referred to ministry as the care of souls Calling for a return to the sources professors Coleman M Ford and Shawn J Wilhite ponder what a scriptural vision of ministry is how patristic voices help inform this vision and how pastors today can

cultivate this pastoral vision in their churches Each chapter examines an important pastoral topic such as humility the sacraments and contemplative theology and brings it to life through a constructive model and profiles of early church fathers Encouraged by the patristic wisdom of Irenaeus Athanasius John Chrysostom and more readers learn a simple and slower model for pastoring that they can emulate as they care for their communities A slower pace of life may in fact help pastors cultivate the soil of souls more richly and as a result return to ministry as the care of souls Applicable Enriches the spiritual and ministerial practices of modern pastors through ancient church wisdom pastoral reflections and examples from Scripture Theological and Historical Features detailed profiles of church fathers including Ambrose of Milan Augustine Gregory of Nazianzus Basil of Caesarea Gregory of Nyssa and others Written for Students and Pastors Ideal for college level courses as well as new or seasoned ministers

Rewilding the Church Steve Aisthorpe, 2020-07-30 Following on from his bestselling *The Invisible Church* Steve Aisthorpe finds inspiration for his new book in the ecological concept of rewilding an approach to the environment that allows nature to break free from the dulling effects of strategic control and bring wonder back into our lives Applying this thinking to the Church Steve Aisthorpe imagines what might happen if we put less faith in our strategies and plans which inevitably depend on our own capabilities and resources and allow the Spirit to lead us beyond our capacity to imagine *Rewilding the Church* explores afresh the compelling invitation of Jesus to Follow me and the call to throw off everything that hinders and entangles It poses provocative questions and issues a call to contribute to the great rewilding of the Church and to be rewilded ourselves The same human instincts that have disrupted our natural environment have also constrained and domesticated the Church and *Rewilding the Church* commends a rediscovery of the adventure of faith Steve Aisthorpe is one the freshest and most original voices in the church today

Spiritual Direction Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it
