The Dairy Maids Decision A Manley Dairy Novella:

The Dairy Maid's Decision Lacy Tate, 2020-06-24 Too productive for her own good The baby's long since weaned but Lara's body hasn't noticed Huge and desperate for a new bra Lara goes shopping Her trip brings her face to face with a former Dairy Maid and her husband who know exactly how to comfort her swollen distress Ginny and Roger bring Lara to the Manley Dairy where she's the best qualified trainee Dirk Manley ever had Lara's uncertain this is the life for her tempting though her new boss makes the dairy sound Elspeth's ready to fit her with pretty lingerie Dr Busby will see to it she passes her physical but it's the thirsty guest who will convince Lara she wants to stay *The Dairy Maid* ,1795* The Dairymaids Paul Alfred Rubens, 1907* *The Dairymaid* Sandra-Jane Goddard, 2013-08-02 Just because you know how it ends doesn't mean you know her story Companion novel to the series *The Strongs of Summerleas Farm* Devon England 1815 When fifteen year old Annie Drewe is orphaned by the death of her father her Uncle finds her employment on a small dairy farm but despite priding herself with knowing what's what she fails to appreciate how her dramatic looks and flirtatious nature are a dangerous combination especially where other women's husbands are concerned and caught off guard one day by her employer's unsolicited advances she is promptly dismissed Clinging to her dream of finding a suitable man with whom to raise a family Annie develops a knack for charming her way in and out of drudgery until eventually she falls for the one man who seems impervious to her wiles and who will lead her to taking her most reckless gamble yet Contains adult themes Will I like it When I tell people that I have written another novel invariably their first question is Will I like it and of course that's really difficult to answer I ask whether they have read *The Worst of Lies* or *An Unorthodox Arrangement* but if they haven't then my response is to ask them what sort of books and characters they like to read about And then if in particular they mention the nineteenth century family sagas romance emotional conflict tangled relationships and earthy rural settings then I tell them that they might But if more than that they tell me that they want to be drawn in by flawed characters and broken relationships that they want to immerse themselves in a book to be savoured slowly and that will linger with them once finished that they aren't squeamish about sex and adultery and prefer grit and betrayal over fairy tales then I tell them that they're probably in for a treat And if they're still undecided then I tell them to go to Amazon's Look Inside feature and start reading After all if they reach the end of the preview and want to know more then surely that's a more powerful indication that they will enjoy my writing than anything I can tell them about it Sandra Jane Goddard Author *The Strongs of Summerleas Farm* novels The Dairy-maid ,1843 **Dairy Maid** Allen Eppes, 1940
