**And Then... Vol 2** Ruth Wykes, Kylie Fox, 2018-11-01

Once upon a time in a land Down Under from the depths of the Clan cave Clan Destine Press issued a challenge to Australian and Kiwi authors to write cliff hanging Australian flavoured action packed adventure stories for two protagonists stories of the What If What Now And Then kind This was a catnip call an irresistible lure a kid in a candy store kind of a challenge what writer wouldn t want to take a crack at that To make it that little bit more intriguing the editors decreed the stories could be contemporary historical realistic far out spec fic horror SF or urban fantasy and in a spirit of mischief that at least one of the two protagonists must be human You d think that would cover all bases But writers are a contrary bunch they pushed these very broad boundaries even further The result is not one but two volumes of kick arse action packed stories And Then The Great Big Book of Adventure Tales This is Volume 2 a fascinating collection of genre bending adventure stories garnered from a mix of sf fantasy and crime writers happily encroaching upon each other s territories and then some

The Dark Days Club Alison Goodman, 2017-01-03 New York Times bestseller Alison Goodman s critically acclaimed Regency adventure starring a stylish and intrepid demon hunter London April 1812 On the eve of 18 year old Lady Helen Wrexhall s presentation to the Queen one of her family s housemaids disappears and Helen is drawn into the shadows of Regency London There she meets Lord Carlston one of the few who can stop the perpetrators a cabal of demons infiltrating every level of society Dare she ask for his help when his reputation is almost as black as his lingering eyes And will her intelligence and headstrong curiosity wind up leading them into a death trap

**Georgette Heyer, History and Historical Fiction** Samantha J. Rayner, Kim Wilkins, 2021-02-25 The Nonesuch is the name of one of Georgette Heyer s most famous novels It means a person or thing without equal and Georgette Heyer is certainly that Her historical works inspire a fiercely loyal international readership and are championed by literary figures such as A S Byatt and Stephen Fry Georgette Heyer History and Historical Fiction brings together an eclectic range of chapters from scholars all over the world to explore the contexts of Heyer s career Divided into four parts gender genre sources and circulation and reception the volume draws on scholarship on Heyer and her contemporaries to show how her work sits in a chain of influence and why it remains pertinent to current

conversations on books and publishing in the twenty first century Heyer's impact on science fiction is accounted for as are the milieu she was writing in the many subsequent works that owe Heyer's writing a debt and new methods for analysing these enduring books From the gothic to data science there is something for everyone in this volume a celebration of Heyer's nonesuch status amongst historical novelists proving that she and her contemporary women writers deserve to be read and studied as more than just guilty pleasures

**Responding to Creative Writing** Graeme Harper, 2020-09-29 Creative writing is a responsive human activity We use it to respond to the world to our feelings to ideas to observations to other people to historical and cultural events and to the wonders created in our imaginations This book shows how we go about doing this responding Contributors discuss practice led research in creative writing They look at the ways a writer can use language or employ genre and consider how we each define themes and subjects and use writing techniques to explore to these themes and subjects In examining creative writing teaching the contributions gathered here suggest that teaching can be more responsive more engaged with student interests and more successful This book shows that exploring creative writing through a variety of means can produce inventive energetic results that can improve our own creative writing as well as substantially contribute to our critical understanding of creative writing
