*Christian history in its three great periods* Joseph Henry Allen,1908    *The Jihad of Jesus* Dave Andrews,2015-05-29 We are caught up in the cycle of so called holy wars In The Jihad of Jesus Dave Andrews argues that while this inter communal conflict is endemic it is not inevitable Depending on our understanding our religions can be either a source of escalating conflict or a resource for overcoming inter communal conflict and for our religions to be a resource for overcoming conflict we need to understand the heart of all true religion as open hearted compassionate spirituality In the light of an open hearted compassionate spirituality we can reclaim the word jihad from extremists who have mis appropriated it as a call to holy war and reframe it in truly Qur'anic terms as a sacred nonviolent struggle for justice and we can reconsider Jesus as he is in the Gospels not as a poster boy for Christians fighting crusades against Muslims but as a strong but gentle Messianic figure who can bring Christians and Muslims together As this book shows many Christians and Muslims have found Isa Jesus and the Bismillah celebrating the mercy grace and compassion of God as common ground upon which they can stand and work for the common good The Jihad of Jesus is a handbook for reconciliation and action a do it yourself guide for all Christians and Muslims who want to move beyond the clash of civilizations join the jihad of Jesus and struggle for justice and peace nonviolently side by side
