Certainty and Ambiguity in Global Mystery Fiction John J. Han,C. Clark Triplett,Matthew Bardowell,2024-02-08 Mystery fiction as a genre renders moral judgments not only about detectives and criminals but also concerning the cultural structures within which these mysteries unfold In contrast to other volumes which examine morality in crime fiction through the lenses of personal guilt and personal justice Certainty and Ambiguity in Global Mystery Fiction analyzes the effect of moral imagination on the moral structures implicit in the genre In recent years public awareness has attended to the relationship between social structures and justice and this collection centers on how personal ethics and

social ethics are bound together amidst the shifting moral landscapes of mystery fiction. Contributors discuss the interplay between personal guilt and social guilt considering morality and justice on an individual level and at a societal level using frameworks of certainty and ambiguity. They show how individual characters in works by Agatha Christie, Gabriel García Márquez, Natsuo Kirino, F. H. Batacan, and Stephen King, among others, may view their moral standing with certainty but clash with the established mores of their culture. Featuring essays on Japanese, Filipino, Indian, and Colombian mystery fiction as well as American and British fiction, this volume analyzes social guilt and justice across cultures, showing how individuals grapple with the certainty and at times the moral ambiguity of their respective cultures.

The Road to the Dark Tower
Bev Vincent, 2004-09-28
AN ESSENTIAL GUIDE TO THE DARK TOWER SERIES INCLUDING BOOK BY BOOK ANALYSIS AND INSIGHT INTO STEPHEN KING'S CREATIVE PROCESS
In 1970 Stephen King embarked on what would become the crowning achievement in his literary career: the Dark Tower. The seven volume series written and published over a period of 30 years was inspired by Robert Browning's poem Childe Roland to the Dark Tower Came as well as J. R. R. Tolkien's The Lord of the Rings and the spaghetti Westerns of Sergio Leone. With the full cooperation of Stephen King himself, *The Road to the Dark Tower* examines the epic journey of the author to complete a story that threatened to overwhelm him. In this indispensable companion, Bev Vincent presents a book by book analysis of each volume in the series, tracing the Dark Tower's connections to King's other novels including *The Stand*, *Insomnia*, and *Hearts in Atlantis*, and offering insights from the author about the creative process involved in crafting his lifelong work, a work that has consumed not only Stephen King but his legion of devoted readers. This is essential reading for any Dark Tower or Stephen King fan.

[The Quest for the Dark Tower](#)
Alissa Burger, 2021-04-09
A sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes between these disconnects, Stephen King's Dark Tower series spans the entirety of King's career from *The Gunslinger* (limited edition 1982, revised in 2003) to *The Wind Through the Keyhole* (2012). The series has two distinctive characteristics: its genre hybridity and its interconnection with the larger canon of King's work. The Dark Tower series engages with a number of distinct and at times dissonant genre traditions, including those of Arthurian legend, fairy tales, the fantasy epic, the Western, and horror. The Dark Tower series is also significant in its cross references to King's other works, ranging from overt connections like characters or places to more subtle allusions like the sigil of the Dark Tower's Crimson King appearing in the graffiti of other realities. This book examines these connections and genre influences to consider how King negotiates and transforms these elements, why they matter, and the impact they have on one another and on King's work as a whole.

[Stephen King's The Dark Tower Concordance](#)
Robin Furth, 2012-11-06
The Complete Concordance is an entertaining and incredibly useful guide to Stephen King's epic Dark Tower series by Robin Furth and features a foreword by Stephen King himself.
