The Dead Sea Scrolls and the First Christians Robert Eisenman, 2013-08 By the author of the best selling Dead Sea Scrolls Uncovered and the James the Brother of Jesus and the Dead Sea Scrolls series fascinating to beginner and scholar alike this book provides further delineation of the relationship between the Dead Sea Scrolls and Christianity's formative years in Palestine Included in this volume are Prof Eisenman's first two ground breaking works Maccabees Zadokites Christians and Qumran and James the Just in Habakkuk Pesher The foundation pieces of his new approach to the Scrolls and Palestinian Christianity they triggered the debate over their relationship to Christian Origins generally ultimately leading to the freeing of the Scrolls early in the 1990's a struggle in which he played a pivotal role Also included in this volume are unpublished papers and essays written and presented by him at international conferences in the past These include Paul as Herodian Rain Imagery at Qumran and The Final Proof that James and the Righteous Teacher are the Same altogether providing a thorough and even more challenging presentation of the link of the Scrolls to early First Century Christianity in Palestine This volume also contains new translations of three key Qumran Documents the Habakkuk Pesher the Damascus Document and the Community Rule all almost only available in the sometimes inaccurate and often inconsistent renderings of Consensus Scholars missing the electric brilliance of the writers of the Scrolls Now for the first time the reader will have a chance to see the difference between these and a translation that grasps the apocalyptic mindset of the authors of the Scrolls Subjecting the archaeology paleography and other external dating tools of Qumran research to rigorous criticism Prof Eisenman presents a fascinating and compelling picture of a nationalistic xenophobic and militant Messianism very different from the way we currently view Christianity in fact the literature of the Messianic Movement in Palestine itself Not only does this book challenge preconceptions it sets forth the detailed arguments necessary to connect the Righteous Teacher at Qumran to the First Christians and even the family of Jesus itself In so doing it connects the ideological adversary of this Teacher the Spouter of Lying in some cases even denoted the Joker with Paul

*The Incredible*

*Shrinking Son of Man* Robert M. Price, 2003 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus life He also examines the parables for authenticity as well as Jesus teachings about the Kingdom of God

repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price's highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity      **Law Institute Journal** , 1997      *The British National Bibliography* Arthur James Wells, 1998      **The Freethinker** , 2000      *In the Footsteps of Jesus, the Messiah, in Phoenicia/Lebanon* Martiniano Pellegrino Roncaglia, 2004      **American Book Publishing Record** , 1996-05

*Deconstructing Jesus* Robert M. Price, 2000-03 After more than a century of New Testament scholarship it has become clear that the Jesus of the gospels is a fictive amalgam reflecting the hopes and beliefs of the early Christian community and revealing very little about the historical Jesus Over the millennia since the beginning of Christianity various congregations from fundamentalist to liberal have tended to produce a Jesus figurehead that functions as a symbolic cloak for their specific theological agendas Through extensive research and fresh textual insights Robert M Price paves the way for a new reconstruction of Christian origins Moving beyond the work of Burton L Mack and John Dominic Crossan on Jesus movements and Christ cults which shows how the various Jesus figures may have amalgamated into the patchwork savior of Christian faith Price takes an innovative approach He links the work of F C Baur Walter Bauer Helmut Koester and James M Robinson with that of early Christ myth theorists two camps of biblical analysis that have never communicated Arguing that perhaps Jesus never existed as a historical figure Price maintains an agnostic stance while putting many puzzles and scholarly

debates in a new light He also incorporates neglected parallels from Islam the Baha i Faith and Buddhism Deconstructing Jesus provides a valuable bridge between New Testament scholarship and early freethinkers in a refreshing cross fertilization of perspectives    **The Dead Sea Scrolls Uncovered** Robert H. Eisenman, Michael Owen Wise, 1993 This groundbreaking volume features revelatory material available primarily for the first time These 50 documents cast a startling light on events in Palestine at the dawn of Christianity alluding not only to doctrines we now recognize as Christian but also to the precursors of Islam and Jewish Kabbalism Photos    [The Complete Dead Sea Scrolls in English](#) , 2004-11-30 The discovery of the Dead Sea Scrolls in the Judean desert between 1947 and 1956 was one of the greatest archaeological finds of all time Hidden in the caves at Qumran by the Essenes a Jewish sect in existence before and during the time of Jesus the Scrolls have transformed our understanding of the Hebrew Bible early Judaism and the origins of Christianity This fully revised edition of the classic English translation by Geza Vermes the world s leading scholar on the subject offers an astonishing look into the organization customs and beliefs of the community at Qumran Enhanced by much previously unpublished material and a new preface this will remain the authoritative translation of the Dead Sea Scrolls for years to come
