## **The Devil A Very Short Introduction:**

**The Devil** Darren Oldridge, 2012-05-31 Why do the innocent suffer in a world created by a loving God Does this mean that God cannot prevent this suffering despite His supposed omnipotence Or is God not loving after all This in brief is the problem of evil The Devil provides one solution to this problem his rebellion against God and hatred of His works is responsible for evil The Christian Devil has fascinated writers and theologians since the time of the New Testament and inspired many dramatic and haunting works of art Today he remains a potent image in popular culture The Devil A Very Short Introduction presents an introduction to the Devil in the history of ideas and the lives of real people Darren Oldridge shows us that he is a more important figure in western history than is often appreciated and also a richly complex and contradictory one Oldridge focuses on three main themes the idea of the Devil being integral to western thought from the early Middle Ages to the beginnings of modernity the principle of demonic inversion the idea that as the eternal leader of the opposition the Devil represents the mirror image of goodness and the multiplicity and instability of ideas about the Devil While belief in the Devil has declined the idea of an abstract force of evil is still remarkably strong Oldridge concludes by exploring demonological ways of thinking in our own time including allegations of satanic ritual abuse and the on going war on terror ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The Oxford History of Witchcraft and Magic* Owen Davies, 2023-01-24 Histories you can trust This history provides a readable and fresh approach to the extensive and complex story of witchcraft and magic Telling the story from the dawn of writing in the ancient world to the globally successful Harry Potter films the authors explore a wide range of magical beliefs and practices the rise of the witch trials and the depiction of the Devil worshipping witch The book also focuses on the more recent history of witchcraft and magic from the Enlightenment to the present exploring the rise of modern magic the anthropology of magic around the globe and finally the cinematic portrayal of witches and magicians from The Wizard of Oz to Charmed and Buffy the Vampire Slayer *The Oxford Illustrated History of Witchcraft and Magic* Owen Davies, 2017-02-09 This richly illustrated history provides a readable and fresh approach to the extensive and complex story of witchcraft and magic Telling the story from the dawn of writing in the ancient world to the globally successful Harry Potter films the authors explore a wide range of magical beliefs and practices the rise of the witch trials and the depiction of the Devil worshipping witch The book also focuses on the more recent history of witchcraft and magic from the Enlightenment to the present exploring the rise of modern magic the anthropology of magic around the globe and finally the cinematic portrayal of witches and magicians from The Wizard of Oz to Charmed and Buffy the Vampire Slayer **Against the Darkness** Graham A. Cole, 2019-11-12 Many Christians live as though they are effectively alone in the world However there

is another realm of intelligent life that plays a role in the world angelic beings This book explores the doctrine of angels and demons answering key questions about their nature and the implications for Christians beliefs and behavior helping readers see their place in the larger biblical plotline that includes supernatural beings An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ s victory on the cross

Theology from the Great Tradition Steven D. *The Devil, Demons, Judas, and "the Jews"* Torsten Lofstedt,2021-11-09 What place do the four Gospels give Satan demons and Jesus human opponents including Jewish leaders but also Jesus disciples in their accounts of Jesus life This study takes a literary historical approach to the Gospels examining them as narratives It shows how the authors were in the process of developing the devil as a character and determining which roles he filled New interpretations of individual passages in the Gospels are given as well as new understandings of the theological emphases of each author This study is also a contribution to redaction criticism and the relative chronology of the Gospels It employs the theory of Matthean posteriority which revolutionizes our understanding of the literary relations between the Gospels and allows for a new understanding of theological development in early Christianity

**Martin Luther** Scott H. Hendrix,2010-10-21 This introduction

presents Martin Luther as historians now see him Instead of singling him out as a modern hero the book emphasizes the context in which Luther worked the colleagues who supported him and the opponents who adamantly opposed his agenda for change Scott H Hendrix explains the religious reformation and Luther's importance without ignoring the political and cultural forces that led the reformation down paths Luther could neither foresee nor influence This Very Short Introduction pays tribute to Luther's genius but also recognizes the self-righteous attitude that alienated contemporaries offering a unique explanation for that behaviour ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket-sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable
