The Dhammapada A Translators Guide:

The Dhammapada K. T. S. Sarao, 2009 Description This is the first translation of the Dhammapada that gives the original Pali with a word for word meaning and grammatical explanation The basic purpose in so doing is to provide an opportunity to the readers to learn the etymology and meaning of each word Such a presentation would also offer an opportunity to them to appreciate and enjoy something of the original language which is very profound and concise Below each verse transliteration of Devanagari words is given in readable English to show the readers how the words are pronounced so that if they desire they can appreciate the sound of the original language Besides this will further help in better understanding the verses In making the translation that appears below each verse the author's objective has been to stick as closely as possible to literal meanings And while so doing priority has been given to provide simple clarity
